1:30 PM - Adjourn

Lunch Menu

Starters: Soup or salad
Entrees: Choice of Entree
Dessert: Mini Duet: Crème Brûlée
& Chocolate Mousse

Meal Cost: \$30.00

Please join us at Mon Ami Gabi in Oakbrook Center for a luncheon and an informative technical session on Smart Grid Distributed Energy Resources.

Distributed energy resources (DERs) are expected to proliferate in Illinois as a result of the Future Energy Jobs Act, the energy legislation designed to move the state towards a new clean energy economy. ComEd is evaluating and pilot-testing new technologies to facilitate the integration of DERs in its service territory. Dr. Malekpour will discuss ongoing initiatives and pilot projects such as Microgrid Initiatives, Grid of the Future Laboratory, Smart Inverters, and Energy Storage.

Please **RSVP by Friday December 8th** to Teri Lewand at teri.lewand@att.net.

Note that if you RSVP and then fail to attend the meeting, we may be required to invoice you for the cost of the meal due to required minimums charged by the restaurant.

Gift Card Raffle at Every Meeting

Feeling Lucky??? At every chapter meeting this year each person in attendance will be eligible to receive a \$50 American Express gift card. We will draw one name out of all in attendance.
