

WE ENFORCE A STRICT NO VIDEO AND NO FLASH PHOTOGRAPHY POLICY

Please be courteous. Seat yourselves only in-between dances. For the safety of our dancers, and due to the distraction it causes the audience, absolutely no video or photography will be allowed in the theater during the actual performance. The bright screen of a phone or tablet held overhead blocks the view of a performer's parent. Our shows are professionally photographed, videotaped and edited. We give FREE action photo downloads so you may focus solely on watching your dancer's live performances.

High-resolution action photos and videos of the performance appear online within 72 HOURS of the performance. We'll email each class a link as we upload videos and photos to each dance's online gallery. We encourage you to download and SHARE these photos immediately! Learn More at:
