Hello, we are excited to share our ministry at your event and appreciate your interest in having us! We ask you to take a moment to read over a few things we would need your help in obtaining and understanding, in preparation for booking us to minister at your event.

Please note, we spend time on the road and therefore some of these things are comfort items to ease our time on the road. If any of them are not feasible, please let us know and we will work to make the event happen however possible and do not want them to hinder where the Lord may have us go.

Also, as our schedule is very full, and we all have daily jobs, we do not travel full-time, and therefore, try to make the best use of the time we do have available. Unfortunately, this may mean we have to pass up some events.

We encourage smaller churches that would like us to come, to co-laborate with other congregations in the area for a joint event, allowing us to reach more at one time.

If there are several larger churches in an area, interested in having us sing, we often can sing at one place in the morning and the other in the evening, or an evening & the following morning.

Our ultimate goal is to glorify God, encourage saints, and reach the lost for the Kingdom of God, so we are eager to work out what we can to minister with you!

1. Event Inquiries

If you would like us to sing at your event please provide the following details to assist us in expediting and organizing your request.

1. Point of Contact's full name and phone number:
2. Pastor's name (if a church event)
3. Name of Church
4. Address/Location
5. Number of anticipated attendance (this will help with planning)
6. Requested dates and times (or if you want notified when traveling and can sing at your church/event please put ANY for below dates)
 - A. Primary date:
 - B. Secondary:

Are these dates flexible?

(Remember that we will be lining up a number of dates in an area, and traveling in that direction: therefore, not every event will be feasible for us to attend.)

2. Accommodations

For events where we will be out of town overnight, we request a reservation of one nonsmoking hotel room with 2 Queen Beds or two Rooms with 2 Double beds for us to stay in that evening-- or the evening prior for morning events. Please have the rooms reserved under the name "Redeemed Quartet".

(Note: Some hotels if contacted with enough notice will donate rooms or severely discount the rate depending on the situation).

3. Equipment/Performance Requirements

For powering our sound system we require: 2 –20 amp electrical outlets within 20 feet of the stage. (Quartet policy is to use our sound system, since we have our settings already saved and are familiar with the systems performance)

Please allow us two hours prior to the event to perform sound checks. We ask that we have the performance area to ourselves during this time and the area be closed off. This ensures we can focus on getting everything set correctly and warm up properly without distractions.

If possible, we would appreciate a room to have for ourselves at the event location upon arrival for changing and preparing, away from the performance area. If possible, bottled water would also be appreciated.

We also need an area set aside where we can set up our product table.

In the rare occasion that using our own equipment is not compatible with your event, we require: Hookups for 4 Microphones (we will bring our own Microphones), & an RCA hook up into the sound system at the stage location for our Ipad tracks. We require 2 monitors on stage and a qualified sound engineer to operate/troubleshoot any issues we discover with the system at the point of our arrival.

4. Policies

In an attempt to be above reproach and maintain a pure image of Redeemed Quartet and our ministry, we have chosen to not participate in individual photos of any kind. Group photos are ok and invited.

Therefore we request you preemptively discuss with the congregation to please refrain from anything after the event that would not meet above request.

5. Pricing

Rather than set a dollar amount for our concerts, we request that a love offering be taken during the service (if a separate offering is being taken for the church's use, please inform the congregation to avoid confusion).

Also we request that lodging costs (as mentioned above) be covered by the church/venue during our stay in town.

6.Contact

Should we arrange to sing at your event, it would be helpful if you touch base with us at one of the above contact methods 2 weeks prior to the date we are scheduled to be there. That will assist us in communication, and arrangements as the time gets closer.

7.Conclusion

Thank you again for inquiring on Redeemed Quartet. If we are fortunate enough to meet and share in our ministry together, we request to set up a time to ensure all above items are understood, and answer any questions you may have on above items. Once again, if any of the above items cannot be met, please bring it to our attention and let us work through it together as our focus is on the ministry, these are just some logistics to help things go smoother for us on the road and can be tailored/changed as needed as long as it's communicated prior.

Thank you and Lord Bless!
