

## Virtual Dementia Tour

There is a big difference between sympathy and empathy. As caregivers for those with cognitive decline and dementia, we can only sympathize with those we care for. Here is your chance to gain a sense of empathy for your clients. Highgate Senior Living offers a 20-minute Virtual Dementia Tour once a month. We have reserved slots on **Thursday, June 21** starting at 10:30 am until 2:50 pm.

**ALL caregiving staff are REQUIRED to attend!!**

Please contact Stephanie ([stephaniek@focusednursing.com](mailto:stephaniek@focusednursing.com)) with your preferred time. There can be up to three people at each time slot. Sessions are only 20 minutes.

10:30	12:10	1:50
10:50	12:30	2:10
11:10	12:50	2:30
11:30	1:10	2:50
11:50	1:30	

Because you are required to attend one of the sessions, you will be paid for your time. You can clock in under Education (not billable), and add VDT to the notes. Please arrive at least 5 minutes before your scheduled session to be respectful of Highgate's time. We understand that you may be scheduled to work that day... we will be working with your house managers and fellow team members to ensure your client will be covered for your session.

Highgate Senior Living  
5605 W. Chestnut Ave.  
Yakima, WA 98908

Not only will you gain insight, understanding, and increase your compassion, all attendees will be entered to win prizes, including gift cards!!
