## GOLD BAR NATURE TRAILS COMMUNITY CLUB

### RULES AND REGULATIONS

The following Rules and Regulations were approved and adopted by the Board of Directors at a regular meeting and will be enforced by the Park Manager or his/her designees. They are intended for the protection and well being of members, employees, guests and Club property. The Board of Directors is granted the right to promulgate from time to time, Rules and Regulations as may be deemed appropriate for the government and affairs of the corporation.

Observance of these Rules and Regulations will make your stay more pleasant and enjoyable. Compliance is not optional and members will be held responsible for guests' compliance.

Gold Bar Nature Trails is a camping club and members should remember its principal use is for outdoor recreation and enjoyment of all members.

#### SECTION I - GENERAL

##### A. General Application

1. It is the responsibility of each member to notify the GBNT office of all mailing address and telephone changes. This notice should be addressed to Gold Bar Nature Trails Community Club, P. O. Box 109, Gold Bar, Washington 98251.
2. Permanent residency of members is prohibited.
  - a. All members must have a permanent mailing address other than Gold Bar Nature Trails Community Club.
  - b. Members who use the improper key card to circumvent the Rules and Regulations in regard to the 270 day limit of stay in the Park are subject to fines as stated in Administrative Policy 08 or subject to appearance before the Board of Directors with possible key out or loss of membership. (BOD 7-98) (9-27-03) (1-25-14)
3. All visible "FOR SALE" signs are prohibited on trailers and campsites within the Park, and membership "FOR SALE" signs will not be posted in the message center at the front gate.
  - a. Dated 3" x 5" notices may be posted on the Adult Clubhouse bulletin board for one month. Memberships for sale may not include the price. Items for sale may include the price. (BOD 7-98)
  - b. Posting of informational signs with the exception of Park Activities, in GBNT common areas is not allowed without the permission of the Park Manager and/or the Board of Directors. (BOD 4-10)
4. Persons under eighteen (18) years of age shall not be permitted in the Park unsupervised. The supervisor must be a member or an authorized adult guest.
5. Unauthorized persons will be escorted from the Park.
6. Discharging of firearms, air rifles, fireworks, crossbow, rockets or any other explosives by members or guests is strictly prohibited. Bows and arrows may be allowed in designated area only. Members with firearms and/or concealed weapon permits are allowed to keep firearms in their RV's during their stays in the Park, unless it is illegal for them to carry firearms on their person or to display firearms in public on Park property. Members will abide by RCW statutes on gun laws governing the transport of firearms in vehicles while entering or exiting the Park and carrying firearms to or from their RV's. (BOD 7-98) CUP #18 (1-1-09) (BOD 2-26-11)

7. Circulation of petitions or distribution of handbills, pamphlets, flyers or solicitations, not pertaining to Park activities must be approved in advance by the Board of Directors.
8. The Park Manager or his/her designee is authorized to check a campsite and to take action to insure compliance with established bylaws, Rules and Regulations or to enter a campsite without further notice to the member. (BOD 4-25-92)
9. Any act or condition, which creates a nuisance for other members, is prohibited.
10. Repeated major violations of Rules and Regulations may result in loss of membership. (BOD 3-28-92)
11. A member falsifying any information on the membership application documents or membership transfer forms may jeopardize his/her membership status at any time. (BOD 3-28-92)
12. Using a **transceiver** in a threatening or obscene manner so as to create embarrassment for members and staff within the Park or adjacent communities may result in loss of membership. (BOD 3-28-92) (BOD 1-22-11)

wishing wells, water falls, etc. are acceptable. All other items shall be placed in shed/gazebo storage; violators will be cited. (BOD 1-22-11)

One temporary 200 square feet or less manufactured carport type shelter made of metal or PVC tubing material with a canvas attached roof. When a member leaves the Park for more than a consecutive fourteen (14) day period, the shelter must come completely down and be stored. These will not be used for storage or vehicles, etc. (BOD 12-8-01)

9. There shall be an area maintained between each campsite known as a greenbelt. The responsibility for the maintenance of this greenbelt will be equally divided between the respective members of the campsites involved.

No natural growth may be removed from or added to the greenbelt without the mutual agreement in writing by all members who share the greenbelt and approval by the Park Manager.

No member shall arbitrarily place anything in the shared greenbelt to suggest, create or give the impression of division of the greenbelt. Fencing in sites is not allowed. If adjacent memberships are purchased by the same member, such campsites must be maintained as separate camping areas and subject to all regulations pertaining to an individual campsite. (BOD 2-21-92)

A permit, approved by the Park Manager is required for a temporary dog run not to exceed 200 square feet x 7 feet high and WILL NOT extend into the greenbelt. (BOD 6/22/02)

10. The cleared and graveled area of the campsite must not be enlarged without the prior approval of the Board of Directors. If the enlargement affects a shared greenbelt, the narrowing of the greenbelt must also be approved in writing by all members who share the affected greenbelt. Permits for the revisions must be obtained from the Park Manager before work begins.
11. Disputes between adjacent campsites that cannot be resolved by the Park Manager will be brought to the attention of the Board of Directors for resolution.
12. No member shall be allowed to have an excess of 2 cords of firewood on any campsite because of fire hazard. Woodpiles may be stacked against a shed or gazebo with a 6' space between the woodpile and other structures. They may also be stacked along the edge of the graveled area to face the graveled area. (BOD 7-98) (BOD 1-22-11)
13. Live trees may not be removed from any portion of the Park except by permission of the Park Manager. No commercialization of cord woodcutting is permitted. All trees belong to the Park. (BOD 5-9-92)
14. Plants, shrubs, trees, rocks, etc., natural to the Park, shall not be removed from the Park without the permission of the Park Manager. (BOD 1-22-11)

17. Campsites that adjoin the outer perimeter of the property line cannot be developed within 25 feet of the property line. Trees and/or foliage may not be removed within this zone except as approved by the Park Manager. No new temporary structures other than at grade level decks may be constructed within 25 feet of the property line on the following lots: 528, 539, 540, 1120, 1121, 1122, 1123, 1124, 1149, 1181, 1182, 1183, 1184, 1185 and 1186. **CUP #6**
18. No structure or other development will be permitted within two hundred (200') feet of May Creek. **CUP #9**

19. Tarps will be allowed on RV's from Labor Day through Memorial Day of the following year. Exceptions to this must be requested and approved by the Park Manager. Cement blocks, tires or water jugs may not be used as "hold downs", i.e. hanging off the ground. Tarps/ plastic covers will be allowed to cover woodpiles, picnic tables, barbecues, etc. all year long. **Tarps will not be allowed to cover boats or stored vehicles during the summer months.** Tarps will not be used to cover sheds, gazebos or decks unless requested and approved by the Park Manager for temporary situations, i.e. fallen trees or roof leaks. Clear visqueen may be used in the case of roof leaks and will not extend down the RV sides more than eight inches and must be neatly taped or tied down. Torn or rotted visqueen or tarps will be given a ten day warning notice followed by a violation if not removed/replaced. Tarps may also be used for protection of campsites from Memorial Day to Labor Day. Between Labor Day and Memorial Day of the following year if a member leaves the Park for more than a consecutive 14-day period, they must have the tarp taken down or pulled back and neatly folded and tied down. Noncompliance of any of the above will result in a 10 day warning followed by an automatic \$25.00 fine (9-24-94) (9-28-02) (9-24-11) (1/1/13)
  20. **Stainless steel, preferred, eye bolt screws shall be used to attach ropes, wires, etc. to trees, i.e. for hanging tarps, etc. (BOD 9-23-13)**
  21. Quartz, vapor, or high intensity lights on individual campsites are prohibited.
  22. The use of space heaters and the number of lights used in recreational vehicles, or outside, should be kept at a minimum.
  23. A fire extinguisher with a minimum rating of 1A 10 BC should be available at each campsite.
  24. Members or guests will not trespass on a member's or GBNT's campsite. (9-28-96)
  25. Members may reserve a GBNT-owned site for the same guests not to exceed eight (8) days in a twelve (12) month period. Only one RV will be allowed per campsite reserved. The fee for usage will be determined by the Board of Directors and will be comparable to but not exceed the rate charged by the State Parks. The member reserving the site will be responsible for their guests. (9-28-96)
- C. Permanent structures: There shall be no permanent structures on membership campsites.
- D. Temporary structures: Limited to one (1) shed, one (1) deck, one (1) gazebo, and one (1) RV unit.
1. Shed:
    - a. One (1) enclosed structure (storage only), one floor only, is permitted and shall not exceed 120 sq. ft. in both floor and roof area. The structure shall not be over 12 ft. in total height and must be 6 ft. from all other units. The 12-ft. height measurement is to be made from the top of the foundation blocks to the peak, measurement to be taken at the entrance of the structure.
    - b. Sheds are allowed to protrude into the greenbelt providing that one face of the shed is parallel to and over the cleared graveled area which designates a **campsite**. Sheds that protrude into the greenbelt must not extend beyond halfway between the cleared graveled area and adjacent campsite and must be six (6) feet from all adjacent units. (BOD 2-26-11)
    - c. Camper shells, gutted trailers and canopies will not be considered a storage shed. (BOD 1-11-92)
  2. Decking:
    - a. Decking over 12 inches above ground is permitted, not to exceed 120-sq. ft. and not to exceed 35 inches in height at any point. Open or solid railings may be erected around said decks. There is no size limitation to decks below 12 inches in height from grade level.

- b. A roof may be erected over all or a portion of a deck provided that the roof does not exceed 120 sq. ft. of roof covered ground area, nor be over 12 ft. in total height as measured from the lowest **campsite** grade level point along the roof eaves. Note: Standard rain guttering is not included in the 120 sq. ft. measurement. (BOD 1-21-11)
- c. The roof-covered area of the deck may be enclosed as follows: Each wall (excluding trailer side **shall** be solid up to 42 inches in height. The remaining area above 42 inches **shall** be 50 percent (50%) solidly enclosed leaving 50 percent (50%) open area that may be temporarily enclosed using easily removable panels of framed glass, curtains, heavy polyglass, etc (BOD 1-22-11)
- d. Whenever a campsite is occupied by one or more persons who are wheelchair bound or physically handicapped, the Board of Directors may authorize a raised deck having a floor level equal to that of the trailer or motor home and a width of not more than 8 ft. be installed. The necessary approach ramp **and covered area** shall not be included in the size limitation. Said deck may be covered to the extent that the roof size does not exceed 120 sq. ft. of roof covered ground area, nor be over 12 ft. in total height. **A handicap sign must be permanently affixed and visible upon completion. Permit is not transferable and must be included in the member's file.** (BOD 1-21-11)

### 3. Gazebo:

- a. One gazebo is permitted on each site which shall not exceed 120 sq. ft. in total roof covered ground area nor be over 12 feet in total height as measured from the top of the foundation blocks at the entrance of the structure. Gazebos are allowed to protrude into the greenbelt providing that one face of the gazebo is parallel to and over the cleared graveled area of the prime and adjacent campsite, provided a clearance of at least 6 feet is observed between the structure and adjoining units.
- b. One-half of a gazebo may have full height walls. The remainder of the walls may be solid up to 42 inches in height. The remaining area above 42 inches may be 50 percent (50%) solidly enclosed leaving a 50 percent (50%) open area that may be temporarily enclosed using easily removable panels of framed glass, curtains, heavy polyglass, etc.

- 4. None of the above structures may contain any plumbing, laundry facilities, bathroom fixtures or permanent cooking facilities. Sheds may not be used as sleeping facilities at any time. Buildings may not be wired permanently to Gold Bar Nature Trails' electrical service boxes. A removable extension cord for temporary use is authorized.

### 5. Wood stoves:

A wood burning stove may be installed on decks, sheds and in gazebos. The exhaust chimney must extend at least 3 ft. above the top of the building, have a spark deflector on top and be at least 5 ft. from any overhanging tree limbs and shrubbery. Installation of a stove will require a County inspection upon completion of installation. The installation must also be approved by the Park Manager before and after the installation.

- 6. **Asphalt or solid concrete construction on campsites is prohibited for use in constructing building foundations, roads, driveways, pads or decks.** (BOD 1-21-11)

### 7. Recreational Vehicle (RV):

- a. Only one RV **shall** be on a campsite and must be licensed to travel on state highways and roads. **All RVs within the boundary of the Park shall have a current license displayed on their license plate or visible from the outside.** A new registration must be sent to the office by the expiration date of current registration or a \$50 fine shall be levied after 14 days. After 30 days **it will be considered a Flagrant Violation and will be referred to the Board of Directors for possible loss of membership.** (BOD 7-00)
- b. The use of a campsite shall be limited to nothing larger than Recreational Vehicles capable of being legally

towed on State Highways and shall not exceed the licensing limitation requirements as imposed by the State of Washington. The total square footage shall not exceed 400 square feet when set up on a campsite. (BOD 7-98)  
**WAC 296-150-R0020**

- c. Temporary trailer skirting is allowed. Camping trailers must at all times be complete with wheels and a hitch. All camping units must be road-ready within 3 days. (BOD 11-9-91)
- d. All recreational vehicle units shall be contained within the size of the campsite area. **CUP #28**
- e. All **recreational vehicles** when entering the Park must have a current annual license and must not exceed 8' 6" in total width or part. (BOD 6-22-91) **WAC 296-1500-R0020**
- f. The temporary stay of any recreational vehicle shall not exceed 270 days per year. **CUP #25**
- g. No unit shall be inhabited for over a period of thirty (30) continuous days. Member must then vacate the Park for a continuous 24-hour period. **CUP #25A**
- h. A motorized RV, in addition to the primary camping unit is allowed, provided that the motorized RV is the member's primary source of transportation. The member shall state this in writing for their member file. (BOD 7-98)
- i. All heretofore mentioned camping units, RV's, vehicles, trailers, etc., exceeding their length of stay limitations, will be subject to a fine as determined by the Board of Directors or moved to a storage lot at the member's expense forty-five (45) days after a written violation notice is mailed to the last recorded address of the membership. The Park accepts no responsibility while in transit or in storage. GBNT reserves the right to dispose of any items rejected for storage after adequate notice of 30 days to the owner/member of our intentions.
- j. Mobile homes are strictly prohibited.
- k. A removable roof may be placed on your RV provided, however, that posts are not utilized and that the removable roof follows the roofline of the RV and its extensions with overhang not to exceed 12" **including gutters. Open area between extensions/slide outs cannot be covered.** A roof permanently attached to the RV will not be permitted. A permit is required for construction of roofs on RV's. The roof covering must be standard roofing material and may include plastic tarps permanently attached to the frame. (BOD 7-03) (BOD 1-21-11)

#### E. Guests:

1. The length of stay of a guest is limited to 14 days in a 30-day period. The guest may also have a 2nd RV on the campsite providing he/she observes the 14-day length of stay within a 30-day period. (BOD 1-11-92)
2. **Adult members are responsible for meeting their guests at the front gate unless they have made one of the following arrangements**
  - a. The members have purchased a guest card for a 14 consecutive day sequence at the cost of \$10.00 per card per each guest. The guest can use the gate card for entry and exit from the gate. When the card is returned a credit of \$5.00 will be issued to the member. Under all incidents, the card will be void after 14 days. Under all circumstances the member will be responsible for the guest's actions when in the park. A guest cannot allow another guest to enter the park.
  - b. A member may purchase a family pass for up to five (5) individual members at the cost \$25.00 for a 14 day consecutive period. When the guest cards are returned a \$10.00 credit will be issued to the member and the cards will be voided after 14 days. Under all circumstances the member will be responsible for the guest's actions when in the park. A guest cannot allow another guest to enter the park. (BOD10/26/02)
3. Members are responsible to see that their guests are registered.

4. Any member loaning his/her key card to a "guest" for use in the member's absence will fill out and sign a form that is available in the office. Also, members may give guests a letter of approval for use of their campsite in the member's absence. The letter must indicate guest's name, address, and phone number, vehicle license number, the date of arrival and the date of departure from the Park. The letter must also state, "I accept full responsibility for the above guest including liability for any damage to the Club grounds or facilities that may occur". Signature must be that of the designated owner and signify that the guest is in possession of a key card. These letters are to be renewed annually prior to May 15. One copy is to be put in the member's file, one copy to be retained by the guest at all times when they are in the Park. These guests MUST register at the office or the Guest Register at the front gate EVERY TIME they use the facilities and every time after a twenty-four (24) hour or more absence from the Park. These Park uses will be added to the member's use in regard to the 270-day rule. (BOD 7-98)
5. Guests will not allow other guests into the Park.
6. All members desiring to entertain a group larger than ten (10) persons for usage of common property including clubrooms, sport courts, pools, saunas or the play field, will obtain permission for such usage from the Activities Director prior to the date of intended use, and the Park Manager will be advised in a timely manner. (BOD 2-21-92)
7. Adult members are responsible for all guests they allow in the Park, including liability for any damage to the Club grounds and/or facilities that may occur.
8. Site usage is restricted to a single camping unit, except as stated in paragraph 1. above. Any person other than the designated member/s of record is considered a guest and has privileges of a guest.
9. Adult children of members who are 23 years of age or older will have "guest status" regardless of place of residence. (BOD 10-28-96)

#### F. Permits:

A permit is required for each of the following:
