

Mary Lynn is working hard to get the house spruced up for the party Mary Dana and Mike are giving for Angela and Scott. Here is the office of the living room. Definitely looking better!

Mary Lynn enjoys lying on the bed in our recently re-carpeted den. The rug has really brightened up the room.

Here is the view toward the hallway leading to the main part of the house. Notice how the light rug sets off the wood tones of the furniture.

The Living Room during the baby shower for Angela and Scott on October 22nd. Everybody had a good time.
