Welcome,

Thank you for choosing to seek further information about the Beginners Guide to Developing Your Sixth Sense, Part One. Once you have read the entirety of this document I am sure your questions will be answered. If you still have a question or two, please do not hesitate to contact me via phone or email.

This course is open to anyone nationally and internationally who would like a gentle introduction to spiritual development. The course will provide you with all you need to know to build strong foundations for the future.

This course is specifically designed for beginners. The only requirement is that you must be 18 years and over to join the course. You can begin this course at any time you wish, there are not set starting dates.

You may find some subjects easier to understand and grasp more quickly than others, which is natural. I have included a Skype or Face time, one on one training, offering a 60 to 90 minute session. There is one guided meditation included.

There is no international certification with this course. You will however receive a beautiful certificate of completion via email when you have completed the final training session with me. After the completion of this course you may choose to carry on with Part Two or jump right into the professional course called The Essential Practises for Light Workers. This is not to be taken lightly and you need to be truly sure that if you that this career choice is for you. I am happy to discuss this further before you make your final decision.

If you are ready to go ahead with purchasing this course once you have read the information below, please print the last page, fill it out, scan and email back to me. I look forward to supporting you to a successful result and assisting you to fulfil your aspirations.

Kind regards

Nantah Ensom
