<i>Harviestoun</i>	IPA (330ml)	Pale Ale	(5.8%)	£3.95

“Strong like an IPA ought to be, it’s a live-wire, citrusy hop-bomb, made using four big flavoured Hop varieties, all native to the West Coast, and 100% finest Malted Barley to give superior body and really let the hops sing. A true, authentic American Style IPA with plenty of long lasting flavour.”

<i>Schiehallion</i>	(330ml)	Craft Lager	(4.8%)	£3.95
---------------------	---------	-------------	--------	-------

“The perfectly paired combination of wheat malt and lager malt is the secret sauce for this ‘Champagne of Lagers’, providing an elegant head, luscious lacing and crisp palate. A lingering, fresh grapefruity finish from whole pressed hop cones tops it off.”

<i>Old Engine Oil</i>	(330ml)	Black Ale	(6%)	£3.95
-----------------------	---------	-----------	------	-------

“Legend has it that Old Engine Oil was dedicated to the Head Brewer’s love of classic cars. But it’s the thick, dark, chocolatey viscosity that reveals the real inspiration behind the name. Roasted malt is used to give the rich, black colour and plenty of oats to give it a wonderful, velvety mouth feel.”
