CAPABILITY STATEMENT

For U.S. Government procurements, ICI LLC is assigned DUNS Number 965349082. We perform our services under NAICS 236220, 541330, and 541690.

Project Portfolio

- 2012 to Present – As a partner with Tatweer Jordan (Jordan Development), Amman, Jordan, we have completed the construction of two apartment buildings. Our services include project design reviews, construction observation and quality assurance.
- 2015 – Provided technical services in project planning documentation for Hamma Down Enterprises, Inc., Manassas, Virginia.
- 2012-2013 – Provided technical editing on professional publications for University of Jordan.
- 2012-2013 – Provided acquisition and export services in the MENA Region as an independent agent of IT and medical equipment for recycle, refurbishment, and resale to international NGOs and NPOs in Amman, Jordan.
- 2010-2011 – Conducted post-construction and pre-occupancy inspections for real property purchasing owners in Amman, Jordan.
- 2010-2011 – As an investment partner, provided residential renovation consulting services to AREIG Holding, Herndon, Virginia.
- 2008-2009 – During our start up, we advised Dubai Health Authority, Dubai, U.A.E. on the implementation of its healthcare reform “blue-print”. This included assessment of the Emirate’s healthcare licensing requirements for facilities and professionals; review of its “Design, Construction and Commissioning of Health Care Facilities” Regulation, development and implementation of new regulations to meet current international standards.
