OYC HISTORY

The Onondaga Yacht Club, founded in 1885 and incorporated February 3, 1886, is one of the oldest boating organizations in New York State. Located on Onondaga Lake in Liverpool, NY, our clubhouse dates from 1938, with additions in 1942, 1947 and 1956. In recent years, the clubhouse and grounds have been extensively refurbished, including new siding in 2013 and a native species garden in 2017. OYC has hosted numerous regional and statewide regattas and sailing events.

Onondaga Yacht Club holds weekly handicap sailboat races and special holiday races, Sunday evening lakeside picnics, dinners and potlucks, and adult and youth social events. OYC sponsors Sea Scout Ship 876. The club's fleet of small sailboats, canoe, 22-foot sloop, 24-foot pontoon boat and kayaks are available for member use.

Adult and youth sailing instruction is offered. Members can keep small boats in the dry sail area, and slips for larger sailboats and powerboats are available in the Onondaga Lake Park Marina adjacent to the club. With a beautiful boating venue convenient to metropolitan Syracuse, OYC is a friendly community of sailboaters, powerboaters and kayakers offering a wide variety of boating and social activities for its members.

Historic clubhouse
