Hello Members,

The next part of "The Collect" is: May we never be hasty in judgment and always generous. This could be interpreted a few ways, but I see it more to say, don't jump to conclusions until you know the whole story. The "always generous" could be that we offer compliments to lift one another up. Being generous with a smile, with your time and with your donations. This is a simple sentence and yet so powerful.

Repeat it a few times.

Now for my message: This Month of November has found me visiting club after club and gaining a better understanding of the San Gabriel Valley District.

Fall Council was eventful and it proved to be a profitable fund raiser for the Charities of my choice. The City of Hope, Wellness Center was given a check and Barbara B. Smith, Wellness Center also received a donation. An informative talk on other options for breast cancer screening and how to better prepare our bodies with vitamins. My thanks to Walnut Valley Women's Club, Sue Hogenauer-President and her wonderful volunteers that day.

I need to address a change to the delivery of the "KEY" to members. In the past we charged for email. Now, the email is free. We needed a signed permission from members so members would know that we would not reuse their email for anything, it was solely for the purpose of delivery of the "KEY". **Now, the "KEY" is available for everyone via the District website.**

sangabrielvalleydistrict.org

The "KEY" will go out the week before the beginning of the next month. So December's "KEY" went out on November 23rd. This will allow for any glitches in the system. Have your members go to the website and download or read the "KEY". You no longer need to mail any requests to Zee Baez. The website for the District also has a yearly calendar of events. It also has the Chairman listed for the District. If you haven't already seen how resourceful this site is, I invite you to pull it up.

I have asked that the Club President's attending the December 14th District Meeting, please wear something white, or green, or both. We will be taking a picture, a festive holiday picture and I think this will be nice. We can later incorporate all in attendance to take a picture as well. The best way to remember the day is with pictures. So, pick out those outfits and let's take some photos.

If you are attending and you are planning on eating, please remember to remember to bring a dish of your favorite food.

The Fashion Show for the District has made some changes. The Chairman for this event was unable to continue and the Fundraising Chairman, Nena Cervantes Garduno has stepped up to this Chairmanship. If you need any further information, please contact Nena Garduno at ronnena@sbcglobal.net On December 14th, each club will be receiving information and tickets. Please make sure you check the President's file! President file boxes are at every District and Council Meeting and current information is placed in them for the Clubs use.

I hope you all had a wonderful Thanksgiving and I wish you all a wonderful and Blessed Christmas. "Open Hearts with A Renewed Spirit". I am always here for you,

SGVD 1ST Vice President...Rosette Clippinger...909-525-8828

I hope everyone had a wonderful and blessed Thanksgiving.

We are approaching the end of the year and the holiday season is officially in full swing!

A gentle reminder to all our District Chairmen to turn in their judges information to me by the December District General Meeting.

I wish each of you the warmest greetings for this holiday season. 2019 is just around the corner and I am looking forward to a New Year filled with new blessings, memories, and friendships!

SGVD 2nd Vice President ...Terry Perkins ~ 909-895 7710...perkinstlee@gmail.com

I would like to wish all club members and their families a very Happy Christmas and a prosperous New Year. 2018 has been a marvelous year for our great district and super clubs. Our membership is good with 1278 members. Hopefully you all will bring new members at our December Board meeting. December is ending date for our 2018 membership count.

All of these successes could no be achieved without the tremendous dedication of our members. Your commitment your club and our district is immense. I want to express my gratitude to them and their families for the sacrifices they have made in 2018 done San Gabriel Valley District and your club. Of course, I suppose, there is no harm in adding that I hope you are just as generous in 2019! A very Happy Christmas and a rewarding 2019 to our entire San Gabriel Valley District members and their families.

SGVD 3rd VP/Convention ... Linda Koontz ...909-593-3906

We had our first meeting at the Hotel with the Catering Manager and feel that you will all enjoy the menu selections. Thank you to the following who attended the meeting President Rita Aleman, First VP/Convention Treasurer, Rosette Clippinger, Vendors, Linda Terrazas, Seating, Marianne Jennings and Meals/Registrations, Abbey Howell. Everyone was quite impressed with the Hotel and the changes the Hotel has made since we were last there. I know those who attended our last convention there will not believe how beautiful it is.

Remember to book early and use the link that was forwarded to your Club Presidents by Marianne Jennings. All Presidents should have forwarded that email (with link) to all club members. Coming early, make sure to put in April 11th and check out April 14th.

Friendly reminder...Friday, December 7th, Convention Committee meeting at the Peppertree 1020 E Rte 66, in Glendora at 9:30 AM. This meeting is for all committee members (to see where we are with planning). I distributed a flyer to several at our Fall Council and will send out again. Hope you all had a wonderful Thanksgiving. Wishing you all a very Merry Christmas, Happy Hanukkah and Happy New Year! See you at our Holiday District Board on December 14th

SGVD Parliamentarian . . . Mary Jo Kolakoski... 626-444-5717

Last call for proposed amendments to the District bylaws. Bring them to the December Board Meeting on December 14.

On another subject – If your bylaws call for an audit of financial records and you are not using a professional auditor, change the bylaws to read “financial review.” Most clubs should be reviewing their bylaws this year to incorporate the CFWC request that you delete any reference to “she” or “her” and you can take this opportunity to review other areas that may need a revision.

“Caring for Children and Youth? —That We Do!”

December is the final month for 2018 and please accept this kindly reminder: Let's continue helping in our community and aiding other communities outside our own community as well. There are so many children and youth who sorely need guidance, mentoring, and the knowledge that others care for them. We women's clubs members should continue actively advocating for children and youth by continuing to raise funds for scholarships, sponsoring high schoolers for the HOBY Leadership Program, tutoring in classrooms, volunteering as helpers in our libraries, collecting toys and clothing for underprivileged children and the homeless, and so much more. Yes, we all do these activities. Why? Because we care to do so, and we recognize that “It's better to give than to receive.

Telling your story

Last month I shared ideas to help you enhance your public image. This month we will look back and report on 2018 activities in your clubs via your club reports. In addition to telling your club story, these reports serve as great content for media. Contact your local newspaper and share with them the numbers, the activities, and the impact to your local community. Have members share the information via their social media pages or share your post. The end of the year is the perfect time to share your club story.

If you would like to learn about how to format your club story, email Lu Arredondo at wvcclu65@gmail.com.

Conservation.....Gina Morales.....626-394-3595

Greetings.

As we are all aware, once again, our beautiful state has been overwhelmed by the most recent fires. This is the most devastating fire as it has taken 56 lives with it. We have seen homes, pets and livestock lost. Insurance companies will help with the rebuilding but what about the reforestation?

This is where we as members of the California Federation of Women's Club come in. Each month we as individual clubs collect for Penny Pines. The Penny Pines Program was initiated in California in 1941. It started small, under the sponsorship of the San Francisco Sportswomen's Association in 1941. The minimum donation is \$68.00. To date, 59 years later, those pennies have amounted to well over 1 million dollars, and the program is a statewide conservation project supported by numerous individuals and organizations. During the past 59 years, the Penny Pines donations have helped maintain the National Forests in California. These donations are important now more than ever. The recent fires have destroyed over 200,000 acres and not all fires are 100% contained.

Trees are not only beautiful to look at or nice to sit under they also help cut down on pollution and aid in the prevention of landslides. Let's all help replenish and repopulate what's been destroyed by making this years Penny Pine contributions our record breaking year!

I'd also like to thank all those that have been ever so supportive by bringing your own coffee cup. Together we will make a difference!

Please note that my contact information under Conservation in the 2018-2019 yearbook is incorrect. Please contact me at; emwc.ginamorales@gmail.com or 626-531-1535. Thank you!

Domestic Violence.....Mavis Hansen ...626-441-6231

Very soon we will be in the season of "It's the most wonderful time of the Year!" (I don't hear any song that says "It's the busiest time of the year!") Yes, this most wonderful time of the year brings many extra chores/tasks/duties/traditions...whatever you want to call those things you do that take up your extra time. A reminder that for many who are dealing with domestic violence. This is NOT the most wonderful time of the year! If your club has a Domestic Violence Awareness and Prevention Chair she may already have a project to help make the season a bit brighter for women (and their children) in need. If your club is not yet "in the season of giving" why not find a local shelter and have your members do something: Christmas gifts for the children, toys or clothing, maybe new pajamas for Christmas eve? Or maybe take a dinner, to make the season brighter. Whatever you do will be much appreciated and of course you will also be gifted with a happy heart.

May your days be filled with JOY and HAPPY HOLIDAYS ! Mavis

Remember Dr. Seuss Book Collection Project is our SGVD signature Project for 2018-2020.. Seuss children's books 500 books will be distributed to local Head Start Programs or local day care centers and 500 books will be mail to the D.C. Metro area head start and daycare centers as our San Gabriel Valley District signature Project for 2018-2020.

We can start bringing in Dr. Seuss children's books to the San Gabriel Valley District meetings this month. We have to two years to collected 1000 Dr. Seuss children's books. Let's try to go over the goal and make SGVD and CFWC look outstanding.

Your Education reports are due next month. Let's see if all our clubs can write an Education report. It's not only scholarships that go on the education report you can also report hours ,ember spend volunteering in schools, libraries, educational tours and classes that your member may be teaching all of this is reportable on the education report.

Special Education racial disparities in special education how widespread is the problem new data shows few districts document disproportionality, even as the Trump administration looks to roll back a rule requiring more aggressive monitoring. We can urge our legislators to keep the monitoring in place.

What if a DNA test could show how to teach a student with Dyslexia the New Haven, Conn. School district is working with a team of educators, Genetics and Neuroscience researchers from Yale University in what may be the first attempt to design so-called "Precession" Gene-Based Process which would provide early help for the academic disorder.

Make a difference around the world right from our own community! This holiday season, think outside the gift-wrapped box and consider supporting Heifer International.

Clubs can adopt a project with members who are interested in receiving living gifts via Heifer International. Rather than receiving traditional gifts, members can ask their loved ones to give to the club's Wish List at Heifer. Clubs should first create a custom Wish List at heifer.org/fundraise/index.html and then your members can start asking their loved ones instead of buying them traditional gifts to donate to the Wish List at the Heifer website or use this donation form: tinyurl.com/HeiferWish2018.

Each donation to Heifer offers something no store-bought gift can: a lifetime of opportunities for a struggling and hungry family in an underserved and often overlooked part of the world. Heifer will use the donation to provide livestock and training which families in need quickly turn into small businesses.

A gift of only \$20 buys a flock of chicks, ducks, or geese. A flock of chicks, for example, contains 10 - 50 chicks. Hens can lay up to 200 eggs a year, providing a reliable source of protein and income. Plus, under Heifer's "Passing on the Gift" program, each family who receives an animal agrees to give one of their animal's offspring to another family in need. This means your gift will keep on giving for many generations to come! Furthermore, **every gift will be doubled** up to \$30,000 from now until January 6, 2019, by a generous, anonymous donor. To help you calculate your impact, try Heifer's fun "cowculator" at act.heifer.org/cowculator/

Heifer has sent me gift catalogs, cute animal pins, bookmarks, brochures, and thank you cards to share with club members. Please contact me at emwc.tinaly@gmail.com or (626) 758-1158 if you would like some for your next club meeting.

Remember to include this, and all relevant projects, in your club reports, due at the District Board meeting on Friday, January 11, 2019!

I wish you many blessings of health, love, and laughs this holiday season. May your heart be filled with a grateful spirit today and every day.

LEADERSHIP CHAIRMAN.... Toby Kahan ...626-234-7754

Happy Holidays to All!

I am sorry I will have to miss the December Meeting. I will be in Austin with the family. I wish you all the best during the season and hope you have plenty of time to spend with family and friends. Don't forget to treat yourself by doing something special.

The District Deadline for the LEADS Applications is the December SGVD Board Meeting to Dedee, SGVD Financial Secretary in my absence. The District can only send one candidate to the CFWC Board Meeting in February, so entries will be judged and our candidate will be announced at the January SGVD Board Meeting.

After the holidays I welcome your calls regarding a visit to speak to your members on Leadership. I know that some clubs are having issues with getting members to take an office or chairmanship. It is my hope that during this administration I can share with SGVD members the benefits of serving in a leadership role. Give me a call at 909-720-3532.

WOMEN'S HISTORY and RESOURCE CENTER.....Diane Sexton.....626-316-0044

Voices of the Past

From the wall of their past president's photos at the Sierra Madre club:

“These are voices of the past
Links in an unbroken chain,
Wings that can bear us back to times
That cannot come again.
Yet God forbid that we should lose
The echos that remain.”

Reverently, I stared into the faces of these women that ranged in time from the 1920's to those of recent years. Nostalgia from my personal past tugged at my emotions remembering my own grandmother in wonder. Could her club have been a Federation chapter? It is highly possible. I feel blessed to be a member of the Greater San Gabriel District and of the three chapters of which I am a current member.

Ladies, we stand proudly as the voices of today and will, in time, become the voices of the past. Our commitments to one another and to the communities we serve is the legacy we will leave behind for the women of the future. As our history shows, the diverse women of the Federation continue to dedicate ourselves to community improvement by enhancing the lives of others through volunteer service.

Collectively, we are the volunteer spirit and have been, here in California, since 1900 when Mrs. Robert J. Burdette became the first CFWC President. I sit here thinking that we have come a long way but I can't help wondering what Mrs. Robert J. Burdette's first name was.

Kindness Angel Chairman: Pat Borchard(909-576-4382)

It began as an observance of National Random Acts of Kindness Week. I am hoping that all clubs take the opportunity to honor one of their members as their Kindness Angel. You are asked to select that member who has committed a "Random Act of Kindness". Two copies of your 50 word narrative along with an 8X10 picture of your Kindness Angel can be turned in at the January 11th SGVD Board meeting to Linda Koontz, since I am unable to attend this meeting. I am looking forward to celebrating our "angels" at the District Fashion Show on February 23rd. For more detailed information about this award, please refer to the contest section in our SGVD manual, page 70. If you have any questions, please feel free to call me.

President Scrapbook Chairman: Pat Borchard(909-576-4382)

Scrapbook pages for President Rita's Scrapbook will be distributed at the Birthday Council on January 25, 2019. Each club and section will receive one (1)page to embellish, decorate, create,(front and back), for President Rita's scrapbook. Each plastic sleeve will have scrapbook pages included. Please use what you are given. Please do not use a different plastic sleeve since all sleeves are not created equal. The sleeves purchased fit the scrapbook that has been purchased. Be as creative as you wish. Include pictures with our President, when she came to your club function. Include pictures from your club functions. Make the page a memory for our District President. The deadline for your scrapbook page is no later than March 8, 2019, Spring Council. I cannot accept your page at convention. If your page is completed by the SGVD Fashion Show, you may turn it over to me then. Hope you all have fun creating pages of memories for President Rita's Scrapbook.

CLUB MEMBER OF THE YEAR ... Marian Hallin ...marianlea@aol.com

I am hoping to have a good representation from Clubs for their choice of Member of the Year for the things one of your members has contributed to your club during 2018. While the due date for your choice isn't until next year, this is a great time to giving your thoughts for your choice with this honor. At our 2019 Convention it has been decided that while we will be recognizing your Club Member of the Year, we will not be reading narratives but will still honor them with the recognition they so well deserved. I am requesting that you will submit a photo or snap shot, no larger than 4x6, for displaying at Convention. I am in hopes that you will continue to produce a narrative and honor your member at one of your club meetings. If you have ever done a narrative about any of your members, you know there will be surprises at many things you did not know about your honoree. We see our members often but do not always have a chance to learn a great deal about them. We see some of what they do at a meeting but not all that they may do behind the scenes or beyond the club in their community. I hope that you will consider honoring your member of choice and share how she or he contributed to the club and your

community. I look forward to hearing from you and sharing time with all Club Members of the Year at our 2019 Annual Convention.
