Hello Members,

The next part of “The Collect” is: Let us take time for all things. This seems straight forward. The words, “all things” opens up an overlooked part of many. We should be able to stop for a moment and listen to what others may have to offer. When addressing causes, we can give our time to discern whether to support or not support. All things are important enough to consider. Now for my message: This past Month of December was very busy. Shopping for my family members and finding and finding wonderful deals was top of my list. I was invited to several clubs during the month.

The “KEY” seems to be going smoothly, transitioning from the District sending you the newsletter, to you going to the site: [sangabrielvalleydistrict.org](http://sangabrielvalleydistrict.org) yourself and pulling up the newsletter. We are making corrections to addresses and adding information, as it becomes available to us. My thanks to Terry Perkins, KEY Editor for making this transition such a smooth one.

Fashion Show tickets have been distributed to all clubs and if you are planning on attending let your club know. February 23, 2019 Saturday at the Quiet Cannon, Montebello. Buy your Raffle tickets too!!!

**We are now in the year 2019!** I think about what we are planning to do as a District for the future of Women’s Clubs. In order to cover topics that you want to hear about, I would first have to hear from you. Planning workshops means setting dates that work for almost everyone. I must find a club willing to open its doors and host a workshop. My email is posted above, just write to me.

I am very pleased with the recruiting efforts of the District. Finding creative ways to bring members in and retain them. I know the Report writing reports will give details in how their clubs have been successful in recruiting members.

I am looking forward to **January 25<sup>th</sup> Birthday Council**. Don’t be left out, get your reservation in.

We have been renewing our spirit for 7 months. Renewing can mean that you were keeping in touch with your volunteer spirit. You have strengthened your belief in what General Federation of Women’s Clubs means because you have read the heartwarming stories of good deeds that we are doing in California Federation of Women’s Clubs. You and I have walked a few more steps to promote our volunteerism and I am so excited to see what the new year holds. Happy New Year!

SGVD 1<sup>ST</sup> Vice President...Rosette Clippinger...909-525-8828

Happy New Year... Best wishes to each and every one of you!  
I would like to thank all the chair members, Club Deans, and District Chairs, you’re hard work is well appreciated.

There is a big change in how the reports are judged this year, all the Reports will be judged equally at the State Level for Awards, not just the District Winners.

I want you all to know how very happy I am to be working with such an amazing group of women. I am excited to start this new year with all of you, and I know that we will accomplish all of our new goals and surpass them.

**SGVD 2<sup>nd</sup> Vice President ...Terry Perkins ~ 909-895 7710...perkinstlee@gmail.com**

May the New Year bring many wonderful new people into our lives and clubs.

Friendship is a key to successful clubs. We need to be friendly and welcoming to all. When you bring a guest to a meeting, make sure you introduce your guest to other members, as many as possible; it will help create life-long friendships. It's a good idea to have a new person come to a second meeting so he/she can become familiar with the club and what we do.

Sometimes we get caught up in what we are doing and forget to look a round us at other members to see if everyone is involved. Find out what their interest and concerns are and what kind of projects would attract their participation.

Members join and remain in a club for: Friendship, involvement, Creativity, Fulfillment, Fun and Challenges.

**SGVD 3<sup>rd</sup> VP/Convention ... Linda Koontz ...909-593-3906**

Hi everyone,

Can you believe this year is almost gone and I say what happened! Since 2018 is almost gone and we will be welcoming in 2019...you all know what that means besides reports being due....we're talking District Convention!

You should be promoting Convention to all your members and holding Convention Fundraisers to help defray expense of your members attending. We want to see the largest attendance we've ever had at the Fullerton Marriot and believe me you will be sorry if you miss it!

As I reported at our District Holiday Board meeting, booking rooms must be at the top of your "To Do" list if you haven't booked yet. Making room reservations is so easy (if your President forwarded you the link). Ask...if you haven't received it, since Marianne Jennings sent two email blasts to all Club Presidents. However, I have repeated the codes below for booking by phone. Please note you must book reservation through Marriott's 800 number: 800-750-0981 if not using the link. Note: The Hotel does not book rooms and will only transfer you to the 800 number. Codes you must use are the following:

SGVSGVA	King Room	Only one (but if available can reserve more)
SGVSGVB	Room with Two Double Beds	

Please note cutoff date to book rooms is March 21, 2019 and after that the Hotel may release the block we have to the public. Book now!

Clubs: Door prizes (we're asking for two) will be accepted starting at the January Board by Rita Even or Carol Huntwork.

Ticket Sales: Looking for two people to sit at the door (beginning of each session) to sell 50/50 tickets. Money to be turned in to me before each session is over. This way everyone will have the opportunity to purchase tickets.

BACA: Now that BACA is confirmed, you can start having your members collect denim vests or jackets (they cut off sleeves), which can be brought to Convention for the Friday lunch. No writing on the vests, because BACA does their own personalization and also adds their patches. Sizes should be children – teenage. There will be collection boxes located right inside the banquet room.

USO: As of this message I am still waiting for confirmation of a speaker for the Saturday Lunch session.

So...have given you a little hint as to some of the things planned and get ready for a few surprises as well! Presidents, make sure you are at our Birthday Council and if not a representative from your club to pick up your Convention Call.

Hugs, Linda

## CHAIRMEN'S CHATS

Advocates for Children ... Esthela Torres de Siegrist ... 626-442-0354

“Spanking a Child? Think Carefully Before Doing So!”

For a very, very long time in this country, spanking ‘disobedient,’ ‘misbehaving’ children on their bottoms was normal and fully acceptable as a means of discipline. This taught children that there were consequences for misdeeds. Parents routinely spanked their children when deemed necessary as a means of teaching their children what was right and what was wrong; to thwart their misbehavior. Spanking played a key part in character development. Even at school, principals were once authorized to spank children, and many did so with a wooden paddle. Spanking is still legal in California—yet only if the spanking is done on the child’s bottom and if done with the open hand. Implements such as paddles and belts are strictly forbidden.

But, beware, dear readers. Yes, BEWARE! Consider the unforeseen consequences. What if you spank the child and then the next day, the child goes to school and suffers an injury that has nothing do with the spanking. Yes, this could very well happen. The “injured” child reports the injury to the teacher or teacher’s aide and is sent off to be examined by the school nurse, who observes marks of an injury. The child then reports being injured, but also reports having been punished at home the previous night. The school authorities may very well file a police report, which leads to an investigation.

This very same scenario seems to have happened to California State Assemblyman Joaquín Arambula. He says he spanked his seven-year-old daughter on her buttocks for “acting out” on Sunday evening around 8:30 pm. He dropped her off at school on Monday morning and shortly thereafter, his family’s troubles began. School authorities claimed to have observed an “injury” on his daughter. The police were called in and after a brief investigation, based on the child’s statement(s) and those of the school authorities, California State Assemblyman Joaquín Arambula was taken to the police headquarters, and was booked on suspected “child abuse,” a misdemeanor.

The Arambula family’s nightmare doesn’t stop there. Next to intervene were the staff from Child Protective Services, who removed the Assemblyman’s three daughters (ages three, six, and seven, who were transported to the home of the Assemblyman’s parents. The children are now back home but just imagine the tension and unease in their home. The local County District Attorney is still deciding whether or not to prosecute the Assemblyman. His political opponents are demanding he resign immediately from the office to which he was elected. His friends and relatives have all come to his defense—reporting him to be a “wonderful, loving father.”

Thus, a “simple spanking on the buttocks” can have totally unimaginable consequences. SO, BEWARE AND TAKE CARE!

- Newspapers
- Consumer magazines
- Trade publications
- AM/FM radio
- Satellite radio
- Television
- Direct mail
- Point-of-purchase
- Co-op
- Content marketing
- Social media

Reach out to Lu Arredondo at [wcvclu65@gmail.com](mailto:wcvclu65@gmail.com) to learn how to put these platforms to work for your specific club.

**Domestic Violence.....Mavis Hansen ...626-441-6231**

Happy New Year and best wishes for health and happiness!

A new year is always a time, not only for reflection on the happenings, now a thing of the past, but also a chance to start a new “TO Do LIST”. (maybe include some we didn’t get to cross off our list last year?)

This Chairman wishes to say: “Thank You to all of the clubs and the members who so diligently participated in Domestic Violence programs and activities in 2018 and helped the women and children who so desperately needed your help” The year may end, but Domestic Violence continues, and so as we wish each other “Happy New Year” let us not forget those who have not started this year being happy. By our actions we can make sure that others will once again be able to change their lives from a violent and sad situation to one of new beginnings, purpose and happiness.

Once again, I ask all clubs “Do you have a Domestic Violence Awareness and Prevention chairman? If you do, Thank You and keep up the good work! And if not, WHY NOT?”

Looking forward to reading all the club reports and to the Awards Ceremony at our convention.

### **Education .....Guadalupe Diaz....562-271-7104**

Education is a gradual process, which brings positive changes in the human life and behavior. We can also define education as a “Process of acquiring knowledge through study or importing the knowledge by way of instruction or some other practical procedure”.

There are three types of education: Formal, informal, non formal.  
Characteristics of these follow:

#### Formal Education

School/institution involved  
Has Hierarchical structure  
Uniform, full time and proper  
Subject oriented  
Certification/Degree

#### Informal Education

1. Practical adult learning
2. Diversity in methods and content
3. Mobilizes local resources
4. Built on learner’s participation
5. Real life examples of learning

#### Non Formal Education

1. Very long process
2. Learning from home
3. Learning from experience
4. Learning from environment
5. Learning from work

Education also means helping people learn how to do new things and encouraging them to think about what they learn. It is also important that education teach people the ways to find and use information. It is important that the knowledge of society, country, and the world is passed on from generation to generation. In democracies, though education, children and adults are supposed to learn how to be active and effective citizens. More specific education can help and guide individuals to move from one class to other. Empowered individuals, societies, and countries by education are working to move individuals from the bottom pyramid of growth to the top.

## Operation Smile

*Every three minutes*, a child is born with a cleft lip or cleft palate and many are unable to access the safe, effective surgical care they need due to shortage of surgeons, medical infrastructure and affordability. It takes *as little as \$240 and as few as 45 minutes* to provide life-changing surgery and a bright, beautiful new smile to a waiting child. Watch this brief but inspiring video from CNN's recent Champions for Change series: [cnn.it/2HZCcGC](http://cnn.it/2HZCcGC)

GFWC has supported Operation Smile for more than 20 years. They've raised money for medical missions and donated handmade quilts, blankets, hospital gowns, smile bags, and collected personal hygiene products and toys. Many GFWC members, as medical professionals, have traveled with Operation Smile on medical missions. During their long partnership, more than \$1 million have been raised through their International Outreach program to benefit Operation Smile.

A poster for Martin Luther King, Jr. Day of Service. On the left is a silhouette of a man in a suit speaking into a microphone. The text reads: "Life's most persistent and urgent question is, 'What are you doing for others?'" Below this, it says "Join GFWC clubs for Martin Luther King, Jr. Day of Service on January 21." In the bottom right corner is the logo for the General Federation of Women's Clubs, which includes the text "GENERAL FEDERATION of WOMEN'S CLUBS" and "G. F. W. C. HELP IN BREVITY" around a circular emblem.

### **MLK Day of Service Idea: Operation Smile's Stuffed Animal Drive**

Children and families can experience significant obstacles to safe and timely surgical care. Clubs are encouraged to sew, collect or prepare specific supplies that Operation Smile needs for their medical missions. The GFWC Women's Club of Odessa, Inc. (Delaware) supported Operation Smile and used Facebook to put a call out to the community for stuffed animals. Their goal was to collect 200, but thanks to the Facebook community, they were able to collect 360 to send to Operation Smile for an upcoming mission. This club reached and surpassed their goal by using

social media to help them achieve their goal. Create a Facebook event for MLK Day to have a stuffed animal drive in your community. The project was listed in the GFWC Top 10 Projects.

Operation Smile has an urgent need for the following items: travel-sized toothpaste (at least 6 months from expiration date), child-sized toothbrushes, thin 8.5 x 11" coloring books, 8-count box of non-toxic crayons, non-toxic liquid bubbles, puzzles and pull toys. Visit <https://tinyurl.com/OpSmileProjects> for more details about this and other project ideas.

**LEADERSHIP CHAIRMAN.... Toby Kahan ...626-234-7754**

The holidays have come and gone. Happy New Year! May 2019 be a healthy happy year for us all. Now that the reporting year has ended for 2018, I look forward to reading your Leadership Reports. Please bring an extra copy for me to give to the Past Presidents for entry into their special judging. Our SGVD LEADS candidate to the CFWC State Board Meeting in February will be announced at the January Meeting. The opportunity to attend this program is limited to 18 clubwomen, one from each District. Congratulations to our candidate!

**A Month of New Beginnings**

January is more than just a colder, winter month. It's a month of new beginnings, resolutions and goals. A month we can resolve to donate blood and give the gift of life to kids receiving chemotherapy, undergoing heart surgery or to a victim of an automobile accident. Take a step further and encourage your network of friends and family to do the same! As collective individuals, we can make January a month of new beginnings for many unfortunate children and adults. So many of them are in need of OUR help!

Did you know that one unit of blood can save as many as three kids at just one children's hospital? So take a friend with you to donate and save up to six kids.

**Why is Donating Blood Important?**

There is no substitute for blood. We need at least 1,000 units of blood and about 200 platelet donors per month to help the kids at Children's Hospital Los Angeles. That's just one of the hospitals who need our blood donations. "Fresh" blood is always needed for infant patients. A single car accident victim can require as many as 100 pints of blood.

Blood, we take it for granted until we see it or, heaven forbid, we lose it. Every two seconds someone in the US needs blood, yet only 10% of eligible individuals donate. You, or someone you know, may be eligible.

As spoken by "Rebekah", age 13, who has Hodgkin Lymphoma, a cancer of the immune system that makes her vulnerable to infection: "If more people saw the amazing effect blood has on those who need it, they would definitely give blood."

By becoming a donor, we can give a new beginning for life to a sick child or a car accident victim. By donating on a regular basis, it ensures that this lifesaving liquid is ready and waiting when it's needed for someone in trouble. Start the year off right and give a new beginning to someone!

To find out more about donating, please visit [www.redcross.org](http://www.redcross.org)

If you happen to have your page completed by the SGVD Fashion Show, you may turn it over to me then. **CLUB MEMBER OF THE YEAR ... Marian Hallin ...[marianlea@aol.com](mailto:marianlea@aol.com)**

I am hoping to have a good representation from Clubs for their choice of Member of the Year for the things one of your members has contributed to your club during 2018. While the due date for your choice isn't until next year, this is a great time to giving your thoughts for your choice with this honor. At our 2019 Convention it has been decided that while we will be recognizing your Club Member of the Year, we will not be reading narratives but will still honor them with the recognition they so well deserved. I am requesting that you will submit a photo or snap shot, no larger than 4x6, for displaying at Convention. I am in hopes that you will continue to produce a

narrative and honor your member at one of your club meetings. If you have ever done a narrative about any of your members, you know there will be surprises at many things you did not know about your honoree. We see our members often but do not always have a chance to learn a great deal about them. We see some of what they do at a meeting but not all that they may do behind the scenes or beyond the club in their community. I hope that you will consider honoring your member of choice and share how she or he contributed to the club and your community. I look forward to hearing from you and sharing time with all Club Members of the Year at our 2019 Annual Convention.
