

... providing the spiritual, educational, and physical needs of the village of LeFond, Haiti.

SPRING IS HERE! We hope that you and your family are doing well as Spring has finally arrived! We have lots of exciting things planned for this year at our mission, God willing. We are humbled by what we see God doing in our little village in Haiti!

2016 HAITI CREW: Our crew of 12 will be going to the mission this June. Please pray for our safety and health while we are sharing our faith with the village of LeFond, Haiti! We will be doing VBS, getting new photos of the school children, meetings with the men & women, sharing our testimonies, bagging/distributing rice, baptism and giving lots of hugs!

RICE OR CASH??? We would like to give each sponsor the opportunity to purchase your student's family a 50-lb. bag of rice with cooking oil AND/OR a little cash this June. If you sponsor a child and would like your child's family to receive the rice AND/OR some cash, please send us the money via check (or make a payment on our website) no later than May 15. Select the "one time donation" option and add a note – if you pay via our website donor page. (We will take photos of your child's family receiving the rice/money and get it to you!) **If you do not sponsor a child, but would like to buy a bag of rice for a child, that would be AWESOME!** (We have MANY children who need a sponsor.)

WHAT'S HAPPENING AT THE MISSION?

- We have completed "The Bell House" (formerly the Safe House)! Thanks to everyone who donated to this project and to our awesome building engineer and his work crew. We will be sharing plenty of photos after our mission trip in June. We will be doing a dedication and adding some personal touches to the building.
- Our generator died so we are in the process of purchasing another one and we plan to add solar power to our mission in the near future (God willing).
- We hired another teacher to support our preschool classes and to also serve as a substitute teacher when needed.
- On a sad note, since our trip in December, we have lost a father of three of our school children and this past week and we also lost a little boy in our school. He walked home from school and collapsed. We are so sad about these losses. If you would like to give a donation to either of these families, we will make sure they receive it.

A CHILD NEEDS YOU: If you would like to help support a child's education in Haiti, the cost is \$20 per month. We will send you a t-shirt and photo so you can share your support proudly! If interested, go to our "SPONSOR A CHILD" page on our website or contact Teresa Bowlin (513-829-9751). You can always email us at servantshearhaitimission@yahoo.com. Payments can be mailed or made on our website via PayPal on our "DONOR" page. You can also choose to pay several months at a time or yearly – your choice. Please pray about this opportunity to make a difference in the life of a child.

They attend the Winton Road First Church of God and sing in the choir. Thank you, Maxine & Toby, for all you do!
