

... providing the spiritual, educational, and physical needs of the village of LeFond, Haiti.

JANUARY 2017

HAPPY NEW YEAR! Thank you so much for another year of support through your prayers and donations. We are so blessed to have the privilege of serving the village of LeFond, Haiti, and we couldn't do what we do without you.

Our November trip went really well and we were able to provide every family a 50 lb. bag of rice! There was an even greater need for food due to the hurricane. Every student received a new watch for Christmas and we did our annual Christmas Pageant with the children. We were able to begin the playground project called Toby Town, in memory of Toby Blair! (You can go to our website to view the video of our trip.)
