Welcome Angus Friends,

Everyone is invited to the Second Annual Bluegrass Trifecta Angus Production Sale to be held at Blue Lake Cattle Ranch on September 21, 2018 at 1:00 pm. We are pleased to be working with Tilden and Kevin Poe of Blue Lake Cattle Ranch and consignors Black Gold Genetics, Decades of Excellence, 4 Sons Farm, Kendall Farms, Rumor Has It Livestock Farms and Xtreme Angus Genetics in this outstanding offering of Angus females.

Angus cattle have grazed the bluegrass pastures of Kentucky for decades and Kentucky Angus breeders are recognized for their commitment and dedication to breed improvement. Angus females are the core and foundation of the beef cattle industry and you will find many of the breed's most proven female families, Rita, Blackcap, Henrietta Pride, Forever Lady, Blackbird, Basin Lucy and others offered in this sale.

This sale runs deep with highlights offered throughout! A number of exciting young ET heifer calves and pregnancies are featured that provide balanced EPD strength and will be headline future donors. Also selling are a select offering of bred heifers from the heart of each program and an excellent set of productive, young performance females with calves at side. We feel the sale will meet any breeders genomic and phenotypic demands.

We look forward to seeing you on September 21. We will be at the sale site days ahead of the sale and would be pleased to assist you in any way.
