Water Removal • Mold Remediation • Fire/Smoke Damage
Trauma/Crime Scene • Carpet Cleaning • Duct Cleaning

ANYTIME - ANYDAY

For certified mold remediation service, rely on Marling's Emergency Cleaning & Restoration of New Castle, DE.

Our locally owned, licensed and insured company remediates mold from homes and businesses in New Castle County, Chester and Delaware counties as well as Cecil County, MD. We provide direct insurance company billing and mold remediation inspections with estimates.

Exposure to high concentrations of mold spores over time is unhealthy and can cause headaches, nausea and dizziness, among other symptoms. At Marling's we use the latest technology and cleaning products to effectively eliminate mold and the moisture sources that cause mold growth.
