

FUEL GAS TRAINEE'S REGISTRATION CARD

THINGS TRAINEES SHOULD KNOW:

Fuel Gas Trainee means any person engaged in the process of meeting the registration requirements, who shall work under the supervision of a licensed fuel gas fitter in the repair or installation of inside and outside piping from a gas meter or first stage regulator, and the repair or installation of residential and nonresidential heating equipment systems, hot water heating systems, or hearth equipment systems utilizing liquefied propane gas or natural gas. (defined by section Saf-Mec 301.09)

Saf-Mec 306.02 **Obligations of Fuel Gas Trainees.** Licensed fuel gas fitters shall sponsor as trainees only those individuals who:

- Work under a licensed NH fuel gas fitter who shall sponsor the trainee and oversee his/her educational and work experience meeting the requirements for the fuel gas fitting licensing; and
- Hold a currently valid trainee's identification card issued by the board

HOW TO BECOME A TRAINEE:

Saf-Mec 304.01 **Application Process for Individuals Seeking Fuel Gas Fitting Licenses and Trainee Registration Cards.**

Each individual seeking an initial license to practice as a fuel gas fitter or seeking to register as a fuel gas trainee shall do so by submitting the application form provided by the board. The individual who is in the process of meeting the requirements shall be issued a registration card that will clearly be marked "IN TRAINING".

Application packet must be filled out with accurate information and sent to the State of New Hampshire with all other required information. When the individual is ready to turn in information for licensing, - Gas Piping installer, Gas Equipment Installer, Gas Service Technician - they will need:

STATE OF NEW HAMPSHIRE TRAINEE CHECK LIST:

- Check, Money order made out to "State of NH – Treasury"
- Color Photograph at least 2" X 2" or more with no hat and no sunglasses
- Proof of identification
- Endorsement letter completed and signed by both the applicant and the gas sponsor
