Experience Highlights

Regarded as one of the top divorce lawyers in the UK by the UK's leading legal directories, Rachael advises on all aspects of family law issues and has over 20 years' experience of dealing with both financial cases and work relating to children. She has a particular expertise for complex high-net-worth situations which will often involve international assets, companies, trusts, tax, pensions and other jurisdictions. Rachael also works with couples interested in preserving wealth with the preparation of pre and post nuptial agreements.

Her clients are not only throughout the Thames Valley and South-West but also London due to her ability to offer the same level of specialist advice without charging London prices. Our London office is conveniently located at 1 Vine Street in Mayfair. Rachael provides a discreet and professional service for high profile clients who want to avoid media attention and keep their personal affairs private.

Rachael is ranked as a leader in the field of family law by the Chambers & Partners, A Client's Guide to the UK Legal Profession 2017 edition and is nationally accredited by Resolution as a specialist family lawyer and accredited family mediator. Rachael is a member of Resolution's national training team training lawyers in the UK to be collaborative practitioners and is a member of the International Academy of Collaborative Professionals (IACP). As an active member in both local and national collaborative and mediation committees Rachael works with the national sub-committee of Resolution to promote and market dispute resolution options across the UK and Europe.
