### **CHAIRMAN’S REPORT 2015-2016**

The Group had again enjoyed a good year. Donal thanked all the walk leaders for their support and the members for participating. A special thank you went out to all the officers on the committee who keep the group going with their voluntary work. Donal looked forward to be being back walking with us soon when his Achilles, which was damaged in February, is finally restored. We had two successful weekends away to Dingle & Lismore and the introduction of intermediate walks had enjoyed good attendances. Co-Action Skibbereen thanked the SWG when Donal and Paddy Leahy had presented our donation to them earlier in the year.

Donal also thanked the following people in particular for their continued support of the Group:

- The Southern Star and County Sound for publishing and broadcasting our programme.
- The Landowners for allowing our walks across their land.
- The leaders.

### **SECRETARY’S REPORT 2015 -2016.**

Due to delivery problems with PhotoBox we were unable to present the collage to Paddy Leahy. This will be done after the AGM.

The quality of Pip Biagi's photographs was commented on with especial mention of her picture of the Three Sisters from Ballydavid Head. This featured Jackie & Heather.

Members and new members were asked to join before the end of November to maximize the number of discounted memberships we could lodge with MI.

David Sprott was thanked for taking on the updating of the Facebook and SWG website with event and other information. These were created by Rianne Smith & Jutta O'Regan respectively.

This year's spring outing will be to Killarney. It is probable that the autumn outing will be to the Glen of Aherlow.
