

BALTIMORE LIFEBOAT CENTENARY WALK

“The Shamrock” 1919 Baltimore’s First Lifeboat

Dear Walker,

This year is the centenary of the arrival of the first lifeboat to Baltimore, the “Shamrock”, on the 8th September 1919.

As part of the celebrations we have a unique coastal walk which epitomises the Wild Atlantic Way.

This walk will be on Easter Monday Walk and is very special on the basis that it’s our centenary and we have once off permission from all the landowners on a route from Loch Hyne to Baltimore. This is the most spectacular 12 km coastal walk on the south coast of Ireland.

There is also a shorter walk on the same day from the village to Trafraska and around the coast to the Beacon and back to the village.

There is a map of the routes with an application form on the flowing pages.

It is essential that anybody intending to join us for this must register, as numbers are limited.

Both walks on Easter Monday are not suitable for small children also as it is farmland no dogs are permitted.

We are asking for a donation of €30.00 per participant and anybody that would like to donate more please do so as all funds will be used for Baltimore Lifeboat.

Yours sincerely,

Declan Tiernan Chairman Baltimore Lifeboat
