Newsletters

Due to the continually rising costs of the printing of, and postage for the monthly newsletter, we have made the decision to stop mailing them out. The mailings will continue through the June newsletter this year but will not resume in September. This decision was not made lightly and will save the club more than \$1,200 annually. We do not intend to deprive anyone of the newsletter, so we will continue to e-mail them, and we will print several copies to leave out and post at the clubhouse. Please update us with your e-mail address so we can ensure you continue to receive it. We will also consider mailing copies under special circumstances, and requests may be made to the Board of Directors for review.

Notes:

Please accept my personal apology for getting the newsletter out late; I was traveling for work and was unable to put it together in a timely fashion. ~Matt
