Dear Mountain Hill Church,

Thank you for your gift in support of the needs of the children and families we serve. Please know that your generosity provides vital programs and services each and every day that plant dreams and hopes in young minds and hearts.

Tamassee DAR School is among the top residential homes in South Carolina and among the oldest. This means we have a proven track record of success and longevity in helping to provide a safe home and excellent education for those in need.

Our programs and services are phenomenal because of you and your generosity. Tamassee DAR School's work and successful outcomes are directly related to sustainability which is made possible by donors like you. Your gift in the amount of \$23,780.00 is greatly appreciated as it is helping us to continue our great mission to "support children and families in crisis through residential, educational and outreach services". In the end, you are the reason we are successful with helping children to overcome learning difficulties and life tragedies while becoming well rounded, educated and productive citizens.

Thank you again for your tremendous gift. I know in my heart that it is because of friends like you that Tamassee DAR School will continue to be a leader and advocate for children and families in crisis.

For the Children,

*Lori A. Bailey, CEO*
