

October 1, 2018

Dear Fellow Workers,

Greetings in the name of the Lord Jesus Christ, who said: "The harvest truly is great, but the laborers are few; therefore, pray the Lord of the harvest to send our laborers into His harvest" (Luke 10:2). Thank you very much for your recent contribution for our BTEA ministries.

Last year, we announced a plan to preach the gospel in every school in the Philippines over a five-year period. Since there are over 46,000 public schools in the Philippines, we must reach an average of 9,000 schools each year. Our God-sized goal will require an average of 40 Americans each week during our two-week trip in January and in each of the six weeks during our summer project. The two-week fall trip will serve as an opportunity to preach in the schools we missed during our summer and fall trips. The plans for our November trip are being finalized, with 16 people accompanying us to the Philippines.

In 2018, the Lord enabled us to have a wonderful first year of our five-year plan. During our January and summer projects, with an average of 25.75 Americans per week, we were able to preach in 3,844 schools, to an attendance of 1,602,504 people, and witness 1,540,568 people put their trust in Jesus for forgiveness of their sins. Although we are behind schedule, we are excited about the number of people who have been reached with the gospel. But we will not slow down until we reach every school. Please pray with us that God will raise up laborers for the ripe harvest in the Philippines.

In the harvest,
Bob
