Dear Mountain Hill Church, LLC,

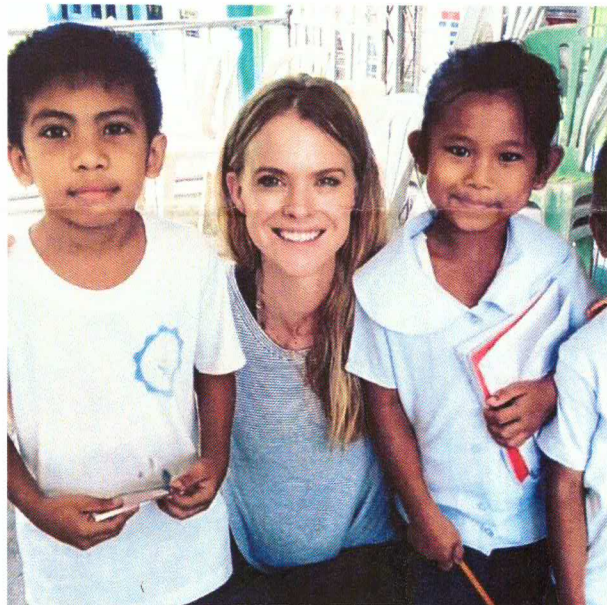

Thank you for your contribution of 833.33000000000004 to BTEA. Your generosity enables us to present the gospel to thousands of Filipinos each year. The story below is from Stacey Crowell, a travel nurse who arranges her schedule to include multiple mission trips each year with BTEA. Stacey is not ashamed of the gospel, because she knows it is the power of salvation to all those who believe. (Romans 1:16)

*On a recent mission trip to the Philippines, I shared the gospel in a high school in Bulacan. Halfway through my message in a classroom, the teacher asked me to start over because some students arrived late. She didn't want any of her students to miss out on hearing the "good news," so I asked one of the students who already heard most of the message to stand up and tell his classmates what I had shared. I silently prayed that he understood the gospel.*

*Without hesitation, the young man stated, "We are talking about the good news of Jesus!"*

*I asked him, "What is the good news of Jesus?"*

*He smiled and responded, "He died on the cross for our sins so that we will not go to hell, and He has a free gift of eternal life for us." He shared with such boldness that I was reminded how privileged I am to share the "easy to understand" gospel message with Filipinos, who are remarkably open to a personal relationship with Jesus.*

In the harvest,  
Bob
