◀ SAV Blackcap May 3175

Pictured as a wet 2-yr-old this cow is quickly establishing herself as one of the best donors to walk our pastures. This granddaughter of the all-time highest income producing cow in the angus breed SAV Blackcap May 4136 is laying down a track record of her own. Her first son to sell was our 3rd high seller in the 2016 sale and has been used in many commercial as well as some registered herds in the northern U.S.

◀ EB Ten Bears 3175

Ten Bears has been used in large heifer projects across the Dakotas and Montana. He was the first natural calf from 3175 and was a highlight of the 2016 sale. His calves come easy and grow up to be correct made highly functional cattle.
