- Non-ATA members must first join ATA in order to get their targets registered for their lifetime target history
- Similar to the registered league program, registered and non-registered shooters may shoot at the same time and on the same squad
- Minimum of three registered shooters per discipline.
- All other rules apply to 'Big 50' events. For purposes of applying the earned yardage table only registered shooters will be counted. If yardage is earned under the table only the high score among registered shooters will earn yardage, regardless of any non-registered score. A score of 50x50 will earn at least 1/2 yard regardless of the number of shooters.
