

FTK-4000 Field Test Kit

Part No. 755435

The Highlight Industries FTK-4000 Film Test Kit is an all-in-one complete stretch film usage and test kit. Contains one each of:

- **Film Knife**, with angled end for personal safety and product protection;
- **Stretch Indicator**, to accurately measure film stretch by printing a bold 1 every 10 inches on the film on the roll before it is stretched;
- **10 Foot Tape Measure**, to measure distance between the bold 1s on the stretched film;
- **Scale to Weigh Film**, to determine the weight of the film used to wrap a load.
