| Item No. | Author                     | Date | Pages | Title   | Key words                             |
|----------|----------------------------|------|-------|---|---------------------------------------|
| 1        | Abbot Loren Webb           | 1939 |       | The Brotherhood of Assassins  | history                               |
| 2        | Abbot Wilma Roberta        | 1933 |       | The Biology of Twining  | biology                               |
| 5        | Agnew Charles              | 1929 |       | Theodore Roosevelt, A Study of His Activities from Graduation to His Election as Vice President, 1880-1900  | Vice President, history, biography    |
| 6        | Agnew Olive Amelia         | 1925 |       | European Penetration of China   | history, China, Europe                |
| 4        | Akers Elmer                | 1927 |       | The Religion of Emerson   | religion                              |
| 3        | Allen Paul West            | 1929 |       | Comparison of Sulfide and Oxide Dry Plate Rectifiers  | chemistry                             |
| 7        | Ameyden Dena Van           | 1936 |       | A Sketch of the Social Life of the Greeks   | Greek                                 |
| 8        | Ameyden Hendrina Van       | 1932 |       | The Value of the Historian to the High School Teacher of History  | history                               |
| 9        | Arbuthnot Mabel Florence   | 1924 |       | Horace's Literary Contemporaries as Mentioned in his Satires (Master's Thesis, UW Madison)  | Horace                                |
| 10       | Arbuthnot Mabel Florence   | 1922 |       | Rome's Least Mortal Mind  | Rome, literature, Latin               |
| 11       | Arrington Clyde Elsworth   | 1924 |       | Chemical Analysis of Milton's City Water  | chemistry, Milton                     |
| 12       | Arrington Olen R.          | 1908 |       | The Treatment of Clergy by Langland and Chaucer   | clergy, literature                    |
| 13       | Ayers Ellsworth Dunham     | 1912 |       | The Life History and Prevention of Grain Smuts  | biology                               |
| 14       | Babcock Albert Henry       | 1928 |       | Determination of Carbon in Coal   | chemistry, coal                       |
| 15       | Babcock Audree Clair       | 1925 |       | The Sources of The Earthly Paradise, by William Morris  | literature                            |
| 16       | Babcock Charlotte Gertrude | 1929 |       | Survey of the Trees of the Milton Region  | trees, botany, Milton                 |
| 17       | Babcock Ellen Frances      | 1927 |       | Contributions of Hawthorne and Poe to the American Short Story  | Hawthorne, Poe, literature            |
| 18       | Babcock Frederick Irving   | 1914 |       | Tariff of the United States - A History with Criticisms   | United States, history                |
| 19       | Babcock Grace Leona        | 1917 |       | A Discussion of the Surface   | mathematics, surface                  |
| 20       | Babcock Margaret Lucile    | 1925 |       | History of European Turkey  | history, Turkey                       |
| 21       | Babcock Orville Wells      | 1932 |       | The Aborigines of North America   | North America, Aborigines, Indians    |
| 22       | Babcock Oscar True         | 1925 |       | The Effect of a Study and Knowledge of Evolution upon the Religious Faith of the Junior and Seniors of Milton College   | evolution, religion, Milton College   |
| 23       | Babcock Ruth Maribel       | 1922 |       | Works of King Alfred  | King Alfred                           |
| 24       | Babcock Richard Owen       | 1940 |       | The Criticism of Drinkwater's Plays from the Point of View of his Essentials to Drama   | drama, literature                     |
| 25       | Baker Harold R.            | 1929 |       | Social Distance between Occupations   | sociology, occupations                |
| 26       | Baker Corliss Archie       | 1925 |       | The Destructive Distillation of Wood  | chemistry                             |
| 27       | Barlass William Harold     | 1933 |       | Bismarck and His Policies   | history                               |
| 28       | Bartholf Adelaide June     | 1917 |       | Historical Pageant of Milton College  | Milton College, pageant               |
| 29       | Baxter Beatrice Nancy      | 1925 |       | The Rise of Democratic Governments  | political science, democracy, history |
| 30       | Baxter William R.          | 1938 |       | Physical Inventory of Milton College [Part 2?] [with Kenneth E. Boyd, also see #355: John Ellis Roby, Physical Inventory of Milton College, Part 1, the Main Building]    | Milton College, inventory             |
| 31       | Beining Elsie Margaret     | 1926 |       | Queen Mary of Scots   | history                               |
| 32       | Belland Harriet Emmeline   | 1925 |       | An Historical Account of the Belgian Congo  | Belgian Congo, Congo, history         |
| 33       | Beneditz Evelyn Mae        | 1930 |       | American Criticism of Wordsworth [bound with 3 others: 1) Evelyn Mae Beneditz, 2) Clarice Ninette Bennett, 3) Estella Bernice Maxson, 4) Waunetta Laura Hain]             | Wordsworth, criticism                 |
| 33       | Bennett Clarice Ninette    | 1930 |       | Wordsworth's Use of Metrical Patterns [bound with 3 others in #33, 1) Evelyn Mae Beneditz, 2) Clarice Ninette Bennett, 3) Estella Bernice Maxson, 4) Waunetta Laura Hain] | Wordsworth, criticism                 |
| 34       | Bennett Constance Aileen   | 1924 |       | Tennyson's Treatment of Nature in His English Idylls  | nature, literature, criticism         |
