Words of Wisdom

There is ONE thing that is the same on every mission trip.....CHANGE!

Be Flexible!

Modest Dress Code: No short shorts. No sleeveless tops, tube tops, or mid drift shirts.

Men cannot go shirtless and no baggy pants.

Modest Swimwear: Women must have their mid section covered at all times. A tank top worn over the bathing suit is acceptable.

Devotion will be held each morning and a sharing session will be held each evening after dinner.

No profanity!

You are there TO serve, not to be served.

See everyone through God's eyes.

Be respectful, remember you are a visitor to their country. The Haitian people are very friendly.

Step out of your comfort zone.

Love, Hug, and play with the children!

Be Flexible!

Be careful of your reactions and facial expressions.

Always let your team leader know where you are.

NEVER go anywhere in the village by yourself.
