Team rosters and ELIGIBLE Players

Section 4 - Rule #10

If a player is not on the team's roster one (1) week in advance of a match, the only way they may play is if the captain of the opposing team agrees BEFORE the match begins. Both captains have to initial that players name on the score sheet for that player to be eligible to play that match. Players that have been initialed will NOT be added to your roster unless they are added on the front of the score sheet in the add/drop box. Both captain need to check lineups for rostered players BEFORE the coin flip. **After the coin flip to start the match there can be no protest concerning ineligible players.** If a rostered player is in question you must contact Rhonda or Jim prior to the coin flip.

At that time if we cannot positively determine that the player in question is on a roster, they will be allowed to play the match. If upon further investigation it is found that the player is not on the roster, their games will be disallowed.
