Issue: 2 Date: Friday 13th January 2017

Another extremely busy week at Rauceby School; the atmosphere around school has been buzzing as the children get to grips with their fabulous new topics. I am sure they have been coming home eager to share the new and exciting things they have learned so far. Today's class newsletter will outline what your child will be learning this term.

Multi Skills

As part of the Friday sport festivals, a group of Year 1 and 2 children went to Cranwell Primary School to compete in a multi-skills competition. The children really enjoyed the event especially the relay races at the end. Next week we have a group of children going to compete in Goalball.

Absence and Lateness

This week, I have sent out a large number of letters to parents about their child's attendance or persistent lateness. I understand that in some cases there has been significant illness causing protracted periods of absence from school. Additionally, it is clear that the parking situation outside school can occasionally contribute to a lack of punctuality. One of the questions I have to answer to the Department for Education is 'How does school notify and tackle lateness and persistent absence?' In sending out letters, I am making you aware of potential issues and attempting to work closely with parents to help resolve any issues there may be.

Year 6 Leavers

I have been asked to publish this message from Mrs Nott about the arrangements for the last day of the school year. It seems such a long way away but I'm sure it will go very quickly!

Your child should have brought home a limo order/payment form today. If you wish your child to travel in the limo on the 14th July please return ASAP along with payment and your child will then be given a space in the limo. If I do not hear from you I can only assume that you do not want your child to ride in the limo on the last day of term. If you have any queries, please contact Jo Nott at jo@loveandlacebridal.co.uk or join the Face Book group - Year 6 Rauceby leavers.

Thank you

Year 6 missing boots

Please can you have a look and see if, following Forest Schools last term, your child has brought home the wrong walking boots. We have a pair of size seven boots with no owner and a child with no boots. The boots are named. Thank you.

Blue badge recipients

Congratulations to this week's blue badge recipients:

Reception – Jack and Logan, Year 1 – Isabelle, Joshua and Maya, Year 2 – Martha and Ryan, Year 3 – Grace and Tyler, Year 4 – Christian and Ruby, Year 5 – Ronin and Tabettha and Year 6 – Emelia P and Jasmine B.

Victorian Topic Day

On the 12th of January Years 5 and 6 learned about the differences between the rich and poor in the Victorian era. First we acted out some of the tasks that the servants had to complete. We also found out their timetable. We wrote a diary from the perspective of a young Victorian servant. In the afternoon we looked at 'Food, Glorious Food' from Oliver Twist. We re-enacted the scene and then tasted some gruel. It was a surprising taste and was very salty. Some people liked it and some didn't. Afterwards we made small mannequins, dressing them with fabrics depending if they were rich, poor, men or women.

Annie and Hannah – Year 6

Year 5 Forest Schools

This week at Forest Schools, we were learning about Victorian bridges and how they work. We got into teams of four and we also had a team captain for each team. We used bamboo, string and items from our surroundings. We started off by thinking of ideas for designs of a bridge that can hold heavy weights, like a first aid kit, a log, a brick and a really heavy stone. Some bridges collapsed but overall we had a brilliant time!

Holly and Olivia, Y5
