Well done to all of you. We are proud of the work that you produce and the effort that you put into all areas of school life.

It is a pleasure to give out the blue badges to the children each week, celebrating their successes both in and out of the classroom. Could you please encourage your child to wear their badge on their uniform so that staff, and other children, can ask them throughout the week about the work they have done.

Staff Carpark

For your own safety please do not use the staff carpark as a quick route onto the school grounds, use the main gate and walk around. There have been a couple of instances recently where the safety of parents' and children has been compromised. We realise that parking has been an issue over the last few days but it would be appreciated if drivers make sure that the entrance to the staff car park is clear when they drop off and pick up.

Road Closure

We have been informed that the road between the school and South Rauceby could remain closed until Wednesday next week; therefore the bus routine will follow that of this week. We will inform you further, as soon as we know, whether the road will be closed for a further period of time.

Fitness Profiles

The chilly weather didn't dampen the spirits or the enthusiasm of the children across the school as they took part in the fitness profile sessions on Thursday. Running, catching and stretching were all part of the experience. Thanks to Mrs Wilkinson for organising and the team of Young Sports Leaders who assisted throughout the day.
