Issue: 22 Date: Friday 30th June 2017

Clubs

Fun & Games, Multi-skills and Guitar are the only clubs that will take place next week, all other clubs have now finished for the term.

Bus

Please note that as we finish at 2.30pm on Friday 14 July, the bus will arrive one hour earlier at the stops than usual.

Breakfast Club/After School Club

From September 2017 there will be an increase for these two clubs by 50p an hour.

Year 5 and 6 swimming Gala

Year 5 and 6 enjoyed a wonderful swimming Gala last Friday. All the children competed in various events, earning points for their house. Competition was intense, fuelled by excellent parental support. However, there could only be one winner which was Meadow. Well done to everyone who took part and a special thank you to the adults that supported the event and Mrs Pepper and Mrs Whitehead who made the afternoon run seamlessly.

Year 6 Visit to RAF Scampton

On Monday 26th June, Year 6 went to RAF Scampton to do some art work with David and Ruth. We all learnt some new and exciting facts about the Red Arrows, RAF Scampton and World War II. Inspired by what we heard and saw we created some art work using chalks.

Emelia, Year 6

The Lincolnshire Show

On Wednesday 21st and Thursday 22nd June, Year 5 attended the Lincolnshire Show to represent Rauceby School in the Schools' Great Gardening Challenge. This was the culmination of many months of hard work, and included not only their fabulous garden in the horticulture area, but also an indoor stand and display. The children had to prepare a presentation about their work and talk to the judges and members of the public, explaining how and why they chose the 'theme' for their garden and the work they have done. You may already know that the Year 5 children have also taken on a longer term project to create a bee garden in the school grounds, where they have completed all the clearing, weeding and planning and are now awaiting some help with raised beds so that the first phase can be finished.

The final presentation at the show was incredibly impressive, as was the show garden itself, and the children were so animated and knowledgeable that they managed to keep the judges for several minutes longer than the allotted time. If you would like to know more about the 'Raucebee Project', please do ask any of the Year 5 children who, I am sure, will be very happy to tell you all about it. We also hope to hang their fabulous Bee Garden textile project in school for everyone to enjoy.

Year 5 managed to gain an incredible 2nd place at the show, in competition with several senior schools, amongst others. I am sure they enjoyed the experience and hope they feel as proud of themselves as we do of them. Well done to all the children - an outstanding effort! Also, many thanks again to the parents who provided us with plants and

to those who gave up their time to transport Year 5 to the show – we could not have done it without you.

Year 3 Family Assembly

This morning, Year 3 entertained the whole school and their parents by reciting a range of poetry. Their confidence, expression and acting was wonderful. Well done Year 3!

Enterprise

There was a great deal of enthusiasm during our recent enterprise week, I do not think I have ever seen so many children enthused about a topic. We may have created 187 Alan Sugars and the learning from the project has been invaluable, opening the children's eyes to the world of work and business. Thank you so much to everyone in the school community for getting involved, whether a business providing £5, or a parent who bought a product, you have all been an important part of this project. There will be several pop-up stalls after Sports Day on Monday outside the Y3 classroom:

Y3 will be selling potato and tomato plants and ice-creams.

Y4 will be selling candles, soap and taking book orders.

Y6 will be selling hair accessories, sweets, cakes, drinks, phone holders, stress balls, garden ornaments, bug houses and slime.

Hawaiian Beach Party

Tomorrow is the Hawaiian Beach Party in the school grounds-there will be lots of fun, a bouncy castle, food, ice cream, a bar, glitter tattoos, lots of free games, a limbo competition, Hawaiian Zumba at 2.30pm, an auction at 4pm and the raffle being drawn after that! We have sent out all requested pre ordered tickets, any requests for tickets today will be popped on a list as we would hate for the tickets to get lost in the 'abyss' known as our children's trays.

If you would like to attend please feel free to bring extra people-just come along and pay on the day. We thank you for your continued fundraising.

The 100 Club

The draw for this month was carried out this morning, the lucky winner is number 35, Mr Manby! Congratulations, your cheque will be in the school office for you to collect, please provide identification.

You should all have received your letter yesterday, the following numbers have already been paid for today (for the year starting in October 2017) 13, 20, 30, 42, 57. Please support this event, you never know, you may win.

Thank you
The PTFA
