Well done to all of you. We are proud of the work that you produce and the effort that you put into all areas of school life.

It is a pleasure to give out the blue badges to the children each week, celebrating their successes both in and out of the classroom. It has been great to see the children wearing their badges with pride this week.

Netball Club

The netball team have their first game next week at Brant Broughton Primary School. Unfortunately, there will be no netball club for those children who are not selected.

Facebook/Social Media

I am becoming increasingly concerned about the use of social media by parents. I understand what a useful tool it can be to share information about school and I know that all classes have parents groups set up on Facebook. We even try to reach parents through this platform. However, can I please remind parents that if you have an issue with school, that Facebook or any other forms of social media are not the forum to share your issues. If your child is having a problem in school then please come and talk to the class teacher in the first instance. I have had reports of children and staff being named in some of these groups which is causing great distress and could actually be passed on as a police matter. Thank you for your cooperation.

Jeans for Genes Day

A further £28.50 has been handed into the office for the J4G collection – the total is now a fantastic £168.33. Thank you for your support.

Black Post Box

There seemed to be some confusion over the new black post box inside the bell tower. This is a secure box for parents to quickly drop off any payments for school or PTFA. This saves lots of congestion inside the school office, so please feel free to put money/reply slips in a labelled envelope for collection. Thank you.

Pound Coins

Just a reminder that the old £1.00 coin ceases to be legal tender from 15th October 2017 and will not be accepted in the school office after that date.

Macmillan Coffee Morning

Thank you to everyone who supported our Macmillan coffee morning this morning. The baking was of particularly high quality this year! We will let you know next week the total raised from the event.

School Disco

All children should have had the school disco letter by now, we ask that returns are made by Tuesday 3rd October so we can organise the catering arrangements. We look forward to seeing all of the children 'busting their moves'.
