## **School Ambassadors**

### **The Long Road to Success**

On Tuesday 19<sup>th</sup> September 2017, our Head Teacher had a tricky decision of having to choose four letters that caught his eye and inspired him from the start to finish, from Year Six. These letters had to persuade him why they should be this year's school ambassadors.

In the end, Fathima, Holly, Nancy and Tabetha came out victorious, and they had to tell the school all about them, and why they should be a school ambassador, in a 3 minute presentation. It was very stressful but they all managed to pull it off, with a round of applause.

Once the school had a vote, the final results were in.

Mr. Manby made the announcement in assembly and Holly and Fathima came out on top, with Nancy and Tabetha following close behind as deputies.

We hope you agree that the job is in good hands and you will notice the Ambassadors and their Deputies around school.

## **11+ Results**

Well done to the Year 6 children who received their 11+ results this week. I know what a relief it is to have completed the process after lots of hard work.

Remember if you didn't get the result you wanted it does not define who you are. I read this recently by a Headteacher and totally agree... 'The scores do tell you something, but not everything. The tests you do, don't take into account the many talents you show every day. They also do not reflect the kind, trustworthy and thoughtful young people you are.'

## **Flu vaccinations**

For your information; the flu vaccinations for pupils will take place on Wednesday 22<sup>nd</sup> November.

## **Sponsor money**

Please be reminded that all sponsor money should be brought into school by Friday 3<sup>rd</sup> November. The money is being raised jointly for our chosen charity, the Jon Egging Trust, and for school funds.
