

## Pupil premium strategy statement:

1. Summary information					
School	Rauceby				
Academic Year	2017/18	Total PP budget	£22.960	Date of most recent PP Review	Sept 2017
Total number of pupils	186	Number of pupils eligible for PP/FP/FSM	43	Date for next internal review of this strategy	Jul 2018

2. Current attainment			
Attainment for: 2016-2017 Whole school	Pupils eligible for PP	FP	Pupils not eligible for PP
% achieving expected standard or above in reading, writing and maths	25%	76%	
% achieving expected standard or above in reading	50%	83%	83%
% achieving expected standard or above in writing	38%	83%	70%
% achieving expected standard or above in maths	63%	59%	72%

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b>	
A.	Some pupils who are eligible for PP are making less progress than non-PP pupils in their class.
B.	Poor attendance contributing to pupils eligible for PP who are not working at the age related expectation (ARE)
C.	Emotional distress due to a parent on deployment
D.	Children are struggling with early reading and spelling skills due to poor oral language skills
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
D.	Attendance rates for several pupils eligible for PP are below the target of 96 %

<b>E.</b>	Lack of routine and support with homework
-----------	---

<b>4. Desired outcomes</b>		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
<b>A.</b>	Children are able to talk about their feelings in a controlled way and acknowledge problems can be solved.	Children retain more friendships Children have less fall-outs Children need less support in class time to resolve friendship issues
<b>B.</b>	Children make expected or better attainment and talk with enthusiasm about their academic future.	Children talk about their future with enthusiasm Children talk about academic targets with excitement Children set/attempt challenging targets Children speak ambitiously about their future at Secondary school and work.
<b>C.</b>	PP children's reading improves in line with non-pp children	PP children make better progress in reading so that their writing is influenced by this PP children can achieve well in spelling Children enjoy reading and can talk enthusiastically about a book they are enjoying PP children achieve in line with non-PP children.
<b>D.</b>	The attendance of PP children improves	Reduce the number of persistent absentees among pupils eligible for PP EWO involvement will not be needed Attendance for the children is in line with national at 96%

## 5. Planned expenditure

Academic year

2017/18

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

### i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children are able to talk about their feelings in a controlled way and acknowledge problems can be solved.	PHSE lessons are regular Circle time etc. Class ethos is agreed on a classroom charter to ensure all children feel safe to talk about their feelings.	Circle time allows a child to share anything on their mind and seek support or advice from children and adults in the room. It creates an emotionally safe ethos in the classroom and the children will always feel happy to share their thoughts/fears/worries. This will mean the teacher is aware of concerns early on before they become a catalyst for anger.	I will speak with the children to see that they feel they can talk about their feelings in class Drop ins to lessons will show the class ethos Training will be offered to staff who are unsure about good quality circle time.	Sarah Marshall  Sally Burge	July 2018
Children make expected or better attainment and talk with enthusiasm about their academic future.	Pupil progress meetings half termly will inform how the children are achieving. Assemblies and lessons will share with the children the purposeful learning and how it can lead to a desired career. Children will be inspired by visitors who talk about their jobs/careers.	Children who are not on track to meet their end of year target will gain support from intervention (subject support, nurture, forest school, 1:1 specialist support). Assemblies are an opportunity to showcase careers and inspirational people allowing the children to see that it is also achievable for them too. This allows them to be inspired to believe they can achieve the same and gives them the opportunity to ask questions about how they got to where they did.	Dates are set for the year. LSAs are employed to carry out intervention. I will see lessons in the Monitoring programme and interview children about purposeful learning. I will role model in my assemblies but also support staff in inviting people in to speak to the children. I will attend those assemblies to show the children how I hold aspirations in high regard. The school values will include Aspiration to inspire and motivate the children .	Sarah Marshall	Jul 2018

PP children's spelling/reading improves in line with non-pp children	Children will receive extra daily reading and spelling with an LSA. Phonics will be addressed in pupil progress meetings if it is a barrier to progress in reading. Bug club will be embedded to support this. Books will be celebrated and enjoyed in school Authors will be celebrated and children will be	When children read daily their reading and spelling improves. Any areas of difficulty can be address (phonics) and quickly recapped. Assessment outcomes will be accurate and swiftly addressed. Phonics will be encouraged as a strategy to reading in the classroom when necessary. Books will be on display in the classrooms and work on the walls will show the children's interest in books. An author will be celebrated in each year groups medium term planning and the Book Club will lead this..	Pupil progress meetings will review intervention given (daily readers) and progress made. All children will visit the school library each week to foster a love of reading. The children will be able to talk to me about the Author they are celebrating and learning about.	Sarah Marshall	July 2018
The attendance of PP children improves	Topics will interest all children and especially PP children. They will include WOW days and Forest school, Art/DT work and exciting activities throughout the term.	When a child is excited about the topics learned it can motivate the child to want to come to school. WOW days and exciting activities throughout the term will be fun and the children will want to be part of them.	Topic planning will be shared with parents and be interesting. Wow days will be shared with the children and parents as something to look forward to. They will be in the diary and on the website. Forest school, DT and outdoor learning will be regular.	All Staff	July 2018

## ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children are able to talk about their feelings in a controlled way and acknowledge problems can be solved.	Some PP children will attend nurture time to talk sessions where they can talk about their feelings. Led by a TA	Children open up and learn strategies to cope with unhappy feelings. They find solutions to problems or friendship issues and then they can then become more engaged in school work.	Intervention charts will show the children who need support in this area.	Sally Burge	July 2018

<p>Children make expected or better attainment and talk with enthusiasm about their academic future.</p>	<p>Pupil progress meetings will focus on how the PP children feel about their future and areas of the curriculum they find strength. Assemblies will encourage children to be ambitious and consider their strengths and where they might use them.</p>	<p>Children are inspired by stories of people who have achieved something even if they once thought they wouldn't. They can begin to see that school teaches them skills which can easily be used in many careers – this will explicitly show them how what they are learning can lead to a job they will enjoy or a University course they will enjoy.</p>	<p>Feedback from staff/progress and TAs will inform SLT as to whether the children can see that their schooling is teaching them vital skills in order to achieve their desired career or future dreams. Assemblies will inform if the children are beginning to have visions of a productive happy future. Monitoring will show children can discuss how what they are learning in class can be used as a skill outside the classroom.</p>	<p>SLT</p>	<p>July 2017</p>
<p>PP children's reading and GPS improves in line with non-pp children</p>	<p>A reading team is set up to ensure PP children below ARE are receiving daily 1:1 reading to ensure comprehension and instil a love of books and reading. The curriculum will allow for more boy friendly books to be incorporated at whole school/class level. Bug Club will be used to support this.</p>	<p>When children read daily they gain in confidence. This time makes them feel valued. This time makes them see that books are positive and enjoyed. The boys who do not like reading will be more inspired in class with books which are more appropriate to their interest and reading on the ipads.</p>	<p>The books used in class will be of more interest to boys – super heroes, action etc. Children who have daily reading – progress will be seen at pupil progress meetings. Children will look to read more at 'free time'. Boys will begin to enjoy reading as a past time and not just when asked. Reading diaries will show positive comments from parents.</p>	<p>S. Whitehead</p>	<p>July 2018</p>
<p>The attendance of PP children improves</p>	<p>EWO will be involved with families whose attendance falls below 87%. The children will be invited to partake in planning the medium term curriculum and desired outcome – taking some ownership and interest. The LSAs will be asked to work with children who are consistently falling below 90%. Awards are given to children who have 'good' attendance. If travel is an issue for families they will be offered ways to help and bus passes purchased</p>	<p>When children attend school regularly without constant breaks, they make more progress. Evidence shows that children who attend school make better friendships, take more ownership in their learning and are more confident. Children enjoy receiving awards and will often try harder when an award is being offered.</p>	<p>Attendance will be monitored half termly. Any absence will be addressed immediately. A chart of which children receive awards will be logged and tracked.</p>	<p>David Manby</p>	<p>July 2018</p>

## 6. Review of expenditure

Previous Academic Year	2016-17 Pupil Premium Grant to school = £19.993
------------------------	---

### i. Quality of teaching for all

Desired outcome	Chosen action/approach	Estimated impact:	Lessons learned	Cost
To give support to children to ensure they meet ARE	Additional TA support in classes for focused interventions Funding for extra curricular music lessons and clubs Additional learning resources (Bug club, Ipads, kindles, spell – checkers)	The Y6 booster groups were successful in raising attainment at the end of the year as shown in SAT results Year Two phonic intervention groups enabled all children to achieve the pass mark in the phonics screening check Following the feedback from the children and parents it is clear that Bug Club has been a great success.	Focused groups benefitted and the required impact was achieved.  This support will continue next year  Following the success of Bug club, Mathletics and a spelling programme are being discussed for future spending	Bug Club £4966  Laptops £2526  TA support £8390  Elkin course £1050

### ii. Targeted support

Desired outcome	Chosen action/approach	Estimated impact:	Lessons learned (and whether you will continue with this approach)	Cost
Improve attendance	To purchase a bus pass to support the parent in bringing their child to school	That attendance would improve and attainment would rise.	Attendance did improve. This support will continue next year	£342

## 7. Additional detail

KS 1 Forces Premium children reaching ARE in Maths, Reading and Writing -77%
KS 2 Forces Premium children reaching ARE in Maths, Reading and Writing -75%
