Swimming Data 2017-2018 Academic Year

For the 2017 to 2018 academic year, there is a new condition of the PE and Sport grant. This requires all schools to publish how many pupils within their Year Six cohort are meeting the National Curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, to use a range of strokes effectively and perform safe self-rescue in different water-based situations.

Our data for 2016/17 was 84% of our Y6 pupils (21/25) met the National Curriculum requirement as a minimum.

This academic year our Year Six children went swimming during the winter term.

We use some of the PE and Sports Premium to provide top up swimming sessions throughout the academic Year 17/18 over and above the National Curriculum entitlement for the Year 6 pupils. This helps to increase the number meeting the requirements.
