It is a pleasure to give out the blue badges to the children each week, celebrating their successes both in and out of the classroom. It has been great to see the children wearing their badges with pride this week.

Maths Challenge

On Thursday, two Year 6s and two Year 5s went to Sir William Robertson for a maths competition against thirteen other schools. We had to do math questions and problems that tested knowledge, teamwork, time management and estimation. All of our hard work paid off with us getting third place. Thank you to Will Rob for hosting it, we had a lovely time.

Sports Relief

Well done to all the pupils (and staff) who managed to run a mile every morning this week. As well as having lots of fun, it has developed their reliance and endurance. It has also shown that exercise has a positive impact on the children's concentration in lessons.

We hope that by asking pupils to donate 50p per day, we should raise in the region of £450 for Sport Relief. Sport Relief money goes to support some great causes. The last Sport Relief raised enough money to treat over 900,000 people across Africa with anti-malarial drugs. It helped over 3.4 million people in Africa through maternal, neonatal and child health funding and more than 50,000 people, in the UK, living with a mental health problem.

If you have yet to send in your donations, then please do so either through the school office or class teacher. We are nearly half way to our total as we have raised £204.30 so far.

Thank you.

Lincoln 10k

Unfortunately, due to the snow last weekend, the Lincoln 10km race did not take place. We had a team of very disappointed staff who were using the event to support our chosen school charity, The Jon Egging Trust. We are hoping a rearranged date will be out shortly and we will be entering again!

Netball

Well done to our Netball team this week that played two fixtures, winning both. The first match was against The William Alvey School. It was an extremely close contest with Rauceby coming out on top 9-8. The second fixture was away at Church Lane Primary School. The team performed brilliantly and were comfortable winners 13-2. The two victories leave the team top of the league having played all seven of their fixtures and winning six of them. It has been a

delight to watch all the matches. The children have gelled as a team extremely well and played every match in the right spirit, with a smile on their faces. A real credit to the school!

You can follow the progress of all our teams by heading to our school website, clicking on the Information Tab, and then select PE & Sport Premium.

Summer Uniform

After the Easter holidays the children will be permitted to wear summer uniform. This is obviously weather dependent until May half term. After this point, all the children should be in summer uniform. A list of what the summer uniform includes is on the school website under the Information tab.

Clubs

There will be no clubs after school next week except Dance and Girls' Football.
