## Alice in Wonderland

On the 22<sup>nd</sup> and 23<sup>rd</sup> May, Year 3 and 4 performed Alice in Wonderland. We worked very hard and our hard work paid off. We thoroughly enjoyed the experience. Despite the fact that some children were taken ill, we carried on regardless and pulled together. Many children stepped into other children's roles, including some Year 3 boys who bravely wore tutus!

Thank you to our teachers, Miss Applewhite, Mrs Godson, Mrs Pepper and Mrs Cousland. Without them there wouldn't be a performance.

We also want to thank all the parents that baked cakes and provided our wonderful costumes. We hope you enjoyed the show!

## A Royal Wedding

Last weekend I am sure you were all glued to your TV's watching Harry and Meghan tie the knot and admiring all the pomp and circumstance that runs alongside these occasions. At Rauceby, the children also had a celebration of their own with Reception and Year 1 holding their own Royal Tea Party.

## Year 5 'On the Farm'

### Our time at Rand.

On Wednesday 16<sup>th</sup> May, Year 5 went to Rand Farm Park on a residential trip. We stayed there for three days and 2 nights. We met lots of animals including: Horses, Rabbits, Gini pigs, ferrets etc. The jobs on the farm were exciting, we got to milk the cows with the machines and some people got to milk the cows by hand. We went to a cheese farm to see how the cheese is made. There is a type of cow called a meat cow (a type of cow that produces meat) and a milk cow (one that produces milk for us to make into cheese). We went on a walk down to the post box to send our post cards to our Mums and Dads. Every night before we went to bed we would have to feed the animals and every morning before breakfast we had to muck out the animals and finally, on the last day we went on a walk round the forest. I liked being there (apart from the smell) I was sad to leave, and I had a great time.

### Rand Farm

On Wednesday 16<sup>th</sup> May Year 5 went to Rand Farm Park. When we got there we were allocated our rooms. After that we went to the main barn to feed the animals then we had lunch, we then did farm jobs, made friendship bracelets, night jobs, tea and then lights out.

The next morning we did our morning jobs, involving mucking out, milking and egg collecting: then we could have our breakfast. After that we entered the bus on the way to the cheese farm, the cheese was getting pressed from the cow's milk. Then we had lunch after that we

went in a cow field and learnt about the different types of cows. The eggs needed collecting from the chicken's pen. We returned to Rand and did our farm jobs then tea and lights out.

On Friday morning, tired, annoyed and excited we did farm jobs to earn our breakfast for the final time. The next thing we did is a tractor ride to the woods where we learnt all about the work the Woodland trust do. After lunch and a go at archery we made our way back to Rauceby, sad to leave Rand but happy to be seeing our families.

## Year 1 and 2 Visit to Rauceby Hall

Year 1 and 2 had a wonderful sunny day visiting Rauceby Hall. Mrs Hoare told us all about the history of the building which was extremely interesting. It even held German prisoners of war! The hall grounds were magnificent and we stayed for picnic. Thank you to Mrs Hoare for allowing us to visit.
