Well done to all of you. We are proud of the work that you produce and the effort that you put into all areas of school life. It is a pleasure to give out the blue badges to the children each week, celebrating their successes both in and out of the classroom. It has been great to see the children wearing their badges with pride this week.

Heat Wave

Thank you to all those parents who provided sun hats and cream for their children this week. It has been incredibly hot as forecasters predicted. It is really important to protect the children as much as we can from the sun without spoiling their enjoyment of school. Unfortunately this has resulted in some children not being able to play at break times as we have enforced the 'No hat, no play' rule. If parents could continue to send their child with a hat for the rest of term, it would be greatly appreciated.

Armed Forces event

On Monday, Nancy, Fathima and Emilie attended the Armed Forces flag raising event in Sleaford as part of the collaborative choir. This choir was set up at the start of the year and comprises of children from seven local primary schools. They performed three songs beautifully to various important community members and were an absolute credit to the school.

Breakfast and After School Club

We have several outstanding payments this term. Please settle your bills as soon as possible.

Thank you Mrs Evans

This week we said farewell to the Evans family, who have moved to Scotland. We held a special assembly to say a big thank you for all the work Emma has done over the past 3 years in leading the PTFA. Thank you to those who contributed towards her gift. We collected over £100 in gardening vouchers which I know she will enjoy spending. I would also like to thank the whole of the outgoing committee for all of their work with Emma.

Activities Day

This week we held a special activities day for the children. They took part in a whole range of fun PE/fitness activities led by a range of qualified coaches and teachers. The activities included: skipping, multi-skills, basketball, dance and many more. We asked Year 1 what they thought of the day.

'I want to do it again.' Ava

'I had lots of fun going in and tackling.' Jack

'I got to score a goal.' Finlay

'I like the island game.' Grace

'I want to play again.' Mika

Mini Olympics

Last Friday, several of our pupils represented the school at a Mini Olympics event alongside 500 other pupils. They took part in 23 different events which they thoroughly enjoyed. The main focus of the event was the Olympic values and it was tremendous that William Addison won a fair play award.

Class Swap Afternoon

This afternoon the children are having a taster of their new classes. The children (and teachers) are extremely excited to get to know each other a little better, although the great thing about Rauceby CE Primary School is that the children and staff know each other pretty well already! I look forward to seeing their happy faces and hearing about how much they are looking forward to September.

The PTFA

Thank you

I would just like to express my heartfelt thanks for a lovely send off this week in school, a surprise assembly, lovey gifts, a mountain of cards, lots of hugs and little notes from the children as well as lots of happy and sad tears. I have loved every second as Chair of the PTFA and will really miss it. Thank you to you all, and thank you to my fabulous outgoing committee for all of the fabulous support. Thank you to the new incoming committee for volunteering, I know all of the school will support you as they did us and you will have as much fun and laughter as we did.
