School Uniform Policy

School Vision

In a safe and caring Christian setting, through inspirational teaching, challenge, awe and wonder, this school's goal is to enable all children to become confident life-long learners to achieve their full potential.

At Rauceby Church of England Primary Academy we are committed to enabling all children to access education successfully. This is an "inclusive" process. We believe that the way that children dress to attend school has a profound effect on their attitude towards themselves and others and all the work that is undertaken. Therefore a well thought out approach to this aspect contributes directly to both the social and learning aspects of our school.

All children will be offered the same opportunities regardless of race, colour, creed or gender. As a school we acknowledge our legal duties under the Equality Act 2010, in respect of safeguarding and in respect of all pupils.
