Think about volunteering to help with Trails. Keep in mind that we will be getting ready to mark trails. See December Calendar. **Last day for hunting is December 20th**. Mark your calendars If you are interested in helping or need more information please contact us by email

It's time we all volunteer. Trail work is done by a few volunteers. It's Snow Time to waste getting trail work done. If you don't know this is the time of year that we get working on putting in the trails to get ready for the snow fall. We need your help to get the trimming done, stakes in and signs up. Let's get it done!

Trails are closed unless there is at least 5" of snow on frozen ground.

REMINDER: Trails do not open until the end of Deer Hunting Season!

See calendar of Events next page.
