

**AT-A-GLANCE AGENDA: NOVEMBER 7<sup>TH</sup> – 9<sup>TH</sup>**  
*Detailed Agenda to be released August 1st*

**WEDNESDAY, NOVEMBER 7TH : 12:00PM – 7:00PM**

<b>Just Plane Easy</b>	Phoenix-Mesa Gateway Airport Fieldtrip. Visit the former Williams Air Force Base that now hosts more than 40 companies, serves more than 45 cities with non-stop domestic and international services, and contributes \$1.3 billion annually to the Arizona economy.
<b>SkyBridge Arizona</b>	Understand and learn about the nation’s first international air cargo hub to house both Mexican and United States customs.
<b>Head in the Clouds</b>	Tour an Aviation Program that accesses state-of-the-art flight, control tower and radar simulators, and one of only three altitude chambers in the United States associated with a university.
<b>Let’s Fly</b>	ASU Polytechnic soars into aeronautical management technology (unmanned aerial systems). Walk through a mushrooming curriculum that is minting new drone pilots into the military or into the burgeoning field of civilian applications.
<b>Mesa Pow-Wow</b>	Summit Grand Opening & Welcome Reception

**THURSDAY, NOVEMBER 8TH : 7:30AM – 7:30PM**

<b>Educate</b>	Distinguished faculty members keynote and present the pivotal role that academia plays in UAS development.
<b>Legislate</b>	Arizona’s leading position as the “go-to” state for anything unmanned is at the heart of the State’s legislature. State Senators and Representatives tell us why.
<b>Advocate</b>	Promoting safe, legal and ethical operation of UAS nationally and state-wide.
<b>Exemplify</b>	Successes and promising initiatives, challenges and solutions within and outside Arizona.
<b>Demonstrate</b>	Live UAS flight application demonstrations
<b>Internationalize</b>	A Beyond-Visual-Line-Of-Sight approach to the UAS industry in the international marketplace. Listen to Panama, Mexico, Canada, UK, France and Israel.

---

**THURSDAY, NOVEMBER 8TH : 7:30AM – 7:30PM (CONTINUED)**

<b>Get Connected</b>	Get to know Summit participants and vendors at the Barrio Brewing Company – Tucson’s largest and first full mash brewery with award-winning beers.
----------------------	--

---

**FRIDAY, NOVEMBER 9<sup>TH</sup> : 7:30AM – 12:00PM**

<b>Research</b>	A rear-view mirror look at UAS industry progress and a headlight view at the road ahead.
<b>Develop</b>	Resources, STEAM, Technology and infrastructure. Specialists address the continuous debate.
<b>Innovate</b>	Latest innovation trends and enterprise initiatives unfold as panel discussions.
<b>Integrate</b>	Updates and presentations on IPP, FAA Test Sites, AZSkyTech, Innovation Centers.
