Adult Skier of the Year

The Adult Skier of the Year Award is given to the adult who makes the biggest impression on the Federation during that calendar year. Level of improvement, performances in tournaments, Regional or National tournament performances, sportsmanship and other aspects are part of the criteria for selecting this skier.

Junior Skier of the Year

The Junior Skier of the Year Award is given to the junior who makes the biggest impression on the Federation during that calendar year. Level of improvement, performances in tournaments, Regional or National tournament performances, sportsmanship and other aspects are part of the criteria for selecting this skier.

Federation Member of the Year

The Federation Member of the Year Award is given to the Member or Members who have exhibited great dedication to the objectives of the Kentucky Waterski Federation. It is reserved for the person or persons who have graciously given their time and effort in making sure that everyone else is having the best tournament experience possible. Without the efforts of these people, there would be no Kentucky Waterski Federation.

Hall of Fame

The Hall of Fame Award is given to the person or persons who have, through many years of continued service, brought growth and development to the sport of three event waterskiing in Kentucky. These persons are highly regarded in the waterskiing community and are a great asset to the Federation. Their knowledge and ability have made it possible for others to continue to further the development and insure the survival of the Sport.
