

PSI2000 Privacy Policy

This Privacy Policy explains our policy regarding the collection and use of your information. As we update and expand our products, this policy may change, so please refer back to it periodically. By accessing our website or using our apps, you consent to our information practices.

What information do we collect?

When using our Applications and Services, we may ask that you provide us some personally identifiable information – information about you that can be used to contact or identify you, and information on your use or potential use of the services and related services.

The app does require you to login.

Personal Information that we might collect includes information like your email address. Personal information may also include other information you supply to us concerning your preferences and interests expressed in the course of using the service. We use Personal Information to: administer our Application & Services, enable you to easily navigate the services, provide, improve and optimize the services, better understand user needs and interests, personalize your experience, provide you with software updates and/or product announcements, and provide you with further information and offers from us that we believe you may find useful or interesting.

When you use our Application & Services, our servers will automatically record information that your mobile device sends or transmits, including, but not limited to, the device ID number, user settings, location and information about your use of the services. We only store, track and monitor general usage and not information specific to any user. We use this information to improve the Services, develop new products and offer products and services that may be of interest to you.

We also use cookies on our Application & Services to collect information. We use cookies to save your preferences and personalize the service for you. Third-party advertisers may also place or read cookies through the Application & Services. You can instruct your device or browser, by changing its options, to stop accepting cookies or to prompt you before accepting a cookie. If you do not accept cookies, however, you may not be able to use all portions or all functionality of our Applications & Services.

What do we use your information for?

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.

We do not share Personal Information with third parties except as follows:

- We may employ third parties to facilitate the Services, to provide the Services on our behalf, to perform related services or to assist us in analyzing how our services are used. These third parties have access to your Personal Information only to perform these tasks on our behalf and are not authorized to disclose or use it any other purpose.
- We may share aggregated information that does not include Personal Information and we may otherwise disclose aggregated application usage information with third parties (including suppliers, advertisers, research, companies and other organizations) for industry analysis, demographic, profiling and other purposes. Any information shared in these contexts will not contain your personal information.
- We may share Personal Information to other third parties with your consent for example, you may agree to our sharing your information with other third parties to hear about their products and services. Use of the information you agree to share will be subject to those third parties' separate privacy policies.

Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on this page, and/or update the Privacy Policy modification date below.

This policy was last modified on 29/12/2017

Changing or deleting your information

You can delete your Personal Information by contacting us or by making the appropriate modifications in your user account preferences through the Services. If you would like us to delete your record in our system, please contact us and we will attempt to accommodate your request if we do not have any legal obligation to retain the record.

International transfer

Your information may be transferred to – and maintained on – computers located outside of your state, province, country or other governmental jurisdiction where the privacy laws may not be as protective as those in your jurisdictions. If you are located outside France and choose to provide information to us, we may transfer personal information to France and processes it there. Your consent to this privacy policy followed by your submission of such information represents your agreement to that transfer.
