

Hi my name is Ashley, I am 26 years old and I graduated from Northwestern Lehigh in 2008. While in high school I attended classes that allowed me to learn, observe and practice the rights and wrongs of childcare. I was able to put these techniques to use as I babysat multiple children within the neighborhood. After I graduated I realized childcare was what I had a passion for, so I went to work at a local daycare where I spent 5 years working as a teacher's aide in the infant room.

I left the daycare about the time I started planning my wedding to the man who makes me laugh everyday. We love spending time outdoors and going camping with our 3 dogs. On beautiful summer days I enjoy going out for a ride on my husband's motorcycle. Any questions you may have along the way, feel free to ask.
