Your new Committee

The new Committee will be elected at the AGM. Committee Members can have several roles, but perhaps most importantly in keeping an eye open for matters of concern at both sites and ensuring that the Council is informed. Committee Members attend five meetings a year to discuss on-going issues and ideas for projects and events.

If any member would like to be part of the New Committee, please contact Peter. Without additional members the committee will remain too small, so we would greatly welcome offers to join us but please do not leave it to the night of the AGM.
