FUGE Info:

At Centrifuge, students are divided into groups for recreation and Bible study based on age ranges by grade completed. Recreation is facilitated within Bible study groups by a member of their trained FUGE camp staff, who also leads the Bible study. Each activity serves a specific purpose and is debriefed so students can make application in their lives.

Students also participate in Track Times. Track Times are created to give students the opportunity to participate in something with which they are familiar, or try something new! Students are divided into “tracks” based on a list of activities they indicate during the registration process. We offer creative, active, performance, and classroom-based activities during these times, and each track is led by member of the FUGE staff.
