

Dear New Hampton Historical Society Members and Friends,

We thank you again for your membership and support. We have had an exciting and productive year. Due to the widespread interest and relevance of our programs at The Gordon-Nash Library there has been an increase in attendance from both New Hampton and surrounding towns. Our current success and momentum will propel us into a new year of informative programs. The Historical Society plays a key role in describing the events, places and people that brought us where we are today.

Your membership donation contributes to our Evening Programs, Newsletters, ongoing Project Transcripts and the Chapel Museum upkeep and exhibits.

We invite you to become a member or renew your membership. The Membership Year is July 1 – June 30.

Please send the information below along with a check payable to the New Hampton Historical Society to P.O. Box 422, New Hampton, NH 03256

Thank you! And please visit our new and updated web site: [newhamptonhistory.org](http://newhamptonhistory.org)
