

LOCATIONS

CA-3 California Red Wine

Produced and bottled by Locations

"Eureka...I have found it" is the state motto of California and apropos for our second release of Locations - CA. Inspired by its diverse growing regions, an exhaustive search was initiated to create a wine as dynamic as the state itself. Select blocks from vineyards spanning Napa, Sonoma, Mendocino, and the Sierra Foothills were sourced to create a proportioned and innovative blend akin to our international projects.

Winemaker's notes

The wine has a beautiful hue of dark purple with a crimson band that lines the top of the glass. Aromas of dried cherry and savory plum meld together in an inviting blend of ripe stone fruit. Soft at first the gentle entry leads to a graceful mid-pallet with generous layers of ripe, candied watermelon and black current. A bright band of acidity wraps around all of these flavors and deftly leads into a finish that drips with fullness and length.

Blend

A blend of Tempranillo, Barbera, Petit Sirah, Syrah, and Grenache

Maturation

Barrel aged 10 months in French oak barrels.

Alc/Vol

15.5%
